HEALTH REQUIREMENTS FOR CLASS OF 2024**

State Mandated Health Assessment

Adolescence is a time of rapid physical, social and emotional development for your student. State statutes require a health assessment by a Healthcare Provider.

PHYSICAL ASSESSMENT FOR CLASS OF 2024

For the present 9th grade, class of 2024, the mandated health assessment must be completed after **January 1, 2020**, as outlined in the revised MPS Policy 5141.3. Students entering grade 9 who have a health assessment dated on or after January 1, 2020 will NOT need another assessment to enter 10th grade.

If a class of 2024 student does not have a physical on file in the high school health office by August 1st going into 10th grade, they will not receive a schedule for their sophomore year until a physical form is received.

If a student is scheduled for a pre-employment, camp or sports physical, the student or parent should request the health care provider to complete the Connecticut State Health Assessment Record. Sports physicals cannot be accepted as the mandated health assessment. Health Assessments must be on the Connecticut State Health Assessment Record (blue form).

Students having difficulty obtaining a physical due to lack of medical insurance should contact the Husky Plan toll free at 1-877-284-8759.
