Acknowledgements and Signature

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance may be guilty of a crime and may be subject to fines and confinement in prison.

One or more of these options may be offered through a custodial or trust arrangement and/or a group annuity or funding agreement issued by Voya Retirement Insurance and Annuity Company. For investment options offered through a funding agreement or group annuity contract, I understand that the current tax laws provide for deferral or taxation on earnings on account balances; and that, although the funding agreement or group annuity contract provides features and benefits that may be of value, it does not provide for any additional deferral of taxation beyond that provided by the Plan itself.

I have received, read and understood the Voya Financial participant information booklet, prospectuses and/or investment option summaries describing the investment options.
