

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) prohibits discrimination against individuals with a disability in any program receiving Federal financial assistance. Similarly, Title II of the Americans with Disabilities Act of 1990 (“Title II” or “ADA”) prohibits discrimination against individuals with a disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”), an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

In order to fulfill its obligation under Section 504/ADA, the Manchester Public Schools recognize a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents/guardians and members of the public who participate in school sponsored programs. In this regard, the Manchester Public Schools prohibit discrimination against any person with a disability in any of the services, programs or activities of the school system.

The school district has specific responsibilities under Section 504 to identify, evaluate and provide an educational placement for students who have a physical or mental impairment that substantially limits a major life activity. The school district’s obligation includes providing access to a free appropriate public education (“FAPE”) for students determined to be eligible under Section 504/ADA. Under Section 504, FAPE is defined as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees imposed on nondisabled students/parents).

If the parent/guardian of a student disagrees with the decisions made by the professional staff of the school district with respect to the identification, evaluation or educational placement of his/her child, the parent/guardian has a right to request an impartial due process hearing.

In addition, a student or parent/guardian of a student may also file an internal grievance/complaint on these issues or any other type of discrimination on the basis of disability by or within the district by utilizing the grievance/complaint procedures outlined in the Board’s Administrative Regulations Regarding Students and Section 504 of Rehabilitation Act of 1973 and Title II of Americans with Disabilities Act, and/or may file a complaint with the Office for Civil Rights, U.S. Department of Education (“OCR”):

II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability may submit a written complaint to the district's designated Section 504/ADA Coordinator within thirty (30) school days of the alleged occurrence. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If the complaint is made verbally, the individual taking the complaint will reduce it to writing.
- B. At any time, when a complaint involves discrimination that is directly related to a claim regarding the identification, evaluation or educational placement of a student under Section 504, the complainant may request that the Section 504/ADA Coordinator submit the complaint directly to an impartial hearing officer and request a hearing in accordance with Section III.D. Complaints regarding a student's rights with respect to his/her identification, evaluation or educational placement shall be addressed in accordance with the procedures set forth below in Section III.
- C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.
- D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures.
- E. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.

F. The complaint should contain the following information:

1. The name of the complainant;
2. The date of the complaint;
3. The date(s) of the alleged discrimination;
4. The names of any witnesses or individuals relevant the complaint;
5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

G. Upon receipt of the complaint, the individual investigating the complaint shall:

1. Provide a copy of the written complaint to the Superintendent of Schools;
2. Meet with the complainant within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant believes have relevant information, and obtain any relevant documents the complainant may have;
3. Provide the complainant with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
6. Communicate the outcome of the investigation in writing to the complainant, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify how the district will remedy any identified violations of Section 504/ADA;

7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, complainant will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
 8. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination.
 9. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.
- H. If the complainant is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for the complainant to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the complainant, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant of his/her decision within ten (10) school days following the receipt of the written request for review.

III. Grievance/Complaint Resolution Procedures for Complaints Involving a Student's Identification, Evaluation or Educational Placement

Complaints regarding a student's identification, evaluation or educational placement shall generally be handled using the procedures described below. **However, at any time, the complainant may request that the Section 504/ADA Coordinator submit the complaint directly to an impartial hearing officer, and request a hearing in accordance with the provisions of subsection D (below).**

Drug/Alcohol Violations

If a student with a disability violates the Board's policies relative to the use or possession of illegal drugs or alcohol, the Board may take disciplinary action against such student for his/her illegal use or possession of drugs or alcohol to the same extent that the Board would take disciplinary action against nondisabled students. Such disciplinary action is not subject to the complaint or due process procedures outlined below.

In order to facilitate the prompt investigation of complaints, any complaint regarding a student's identification, evaluation or educational placement under Section 504 should be forwarded to the district's Section 504/ADA Coordinator within thirty (30) school days of the alleged date that the dispute regarding the student's identification, evaluation and/or education placement arose. - d. Communicate the results of his/her investigation in writing to the complainant and any persons named as parties to the complaint (to the extent permitted by state and federal confidentiality requirements) within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator.

B. Review by Superintendent of Schools

- 1. If the complainant is not satisfied with the findings and/or resolution offered as a result of the Section 504/ADA Coordinator's review, the complainant may present the complaint and the written statement of findings to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for complainants to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.
- 2. The Superintendent shall review the complaint and any relevant documents maintained by the Section 504/ADA Coordinator or other investigator and shall consult with the Section 504/ADA Coordinator or other investigator regarding attempts to resolve the complaint. The Superintendent also shall consult with the complainant. The Superintendent may attempt to resolve the complainant's concerns alone, or with another appropriate administrator.

3. Following the Superintendent's review, he or she shall communicate his/her findings to the complainant within ten (10) school days following his/her receipt of the written request for review.
4. If the complainant is not satisfied with the Superintendent's decision or proposed resolution, he/she may request that the Superintendent submit the matter to a neutral mediator or to an impartial hearing officer. This request for mediation or a hearing should be made within fifteen (15) school days of the Superintendent's decision. Mediation shall only occur by mutual agreement of the parties.

MANCHESTER PUBLIC SCHOOLS

NOTICE OF PARENT/STUDENT RIGHTS UNDER SECTION 504 OF THE REHABILITATION ACT OF 1973 AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) is a non-discrimination statute enacted by the United States Congress. Section 504 prohibits discrimination on the basis of disability by recipients of federal funds. Title II of the Americans with Disabilities Act (“ADA” or “Title II”) also prohibits discrimination on the basis of disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”) as an individual with a disability, an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

Under Section 504, the school district has specific responsibilities to identify, evaluate and provide an educational placement for students with a disability. The school district’s obligation includes providing such eligible students a free appropriate public education (“FAPE”). Section 504 defines FAPE as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees imposed on nondisabled students/parents).

A student is eligible for regular or special education and related services under Section 504 if it is determined that he/she has a mental or physical disability that substantially limits one or more major life activity such as (but not limited to): caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. A major life activity may also include the operation of a major bodily function, such as an individual’s immune, digestive, respiratory or circulatory systems.

A student can have a disability and be covered by Section 504/ADA even if he/she does not qualify for, or receive, special education services under the IDEA.

The purpose of this notice is to provide parents/guardians and students 18 years of age or older with information regarding their rights under Section 504. Under Section 504, you have the right:

1. To be informed of your rights under Section 504;
2. To have your child take part in and receive benefits from the Manchester School District’s education programs without discrimination based on his/her disability.

3. For your child to have equal opportunities to participate in academic, nonacademic and extracurricular activities in your school without discrimination based on his/her disability;
4. To be notified of decisions and the basis for decisions regarding the identification, evaluation, and educational placement of your child under Section 504;
5. If you suspect your child may have a disability, to request an evaluation, at no expense to you and to have an eligibility determination under Section 504 (and if eligible, placement decisions made) by a team of persons who are knowledgeable of your child, the assessment data, and any placement options;
6. If your child is eligible for services under Section 504, for your child to receive a free appropriate public education (FAPE). This includes the right to receive regular or special education and related services that are designed to meet the individual needs of your child as adequately as the needs of students without disabilities are met;
7. For your child to receive reasonable accommodations and services to allow your child an equal opportunity to participate in school, extra-curricular and school-related activities;
8. For your child to be educated with peers who do not have disabilities to the maximum extent appropriate;
9. To have your child educated in facilities and receive services comparable to those provided to non-disabled students;
10. To review all relevant records relating to decisions regarding your child's Section 504 identification, evaluation, and educational placement;
11. To examine or obtain copies of your child's educational records at a reasonable cost unless the fee would effectively deny you access to the records;
12. To request changes in the educational program of your child, to have your request and related information considered by the team, a decision made by the team, and if denied, an explanation for the team's decision/determination;
13. To request an impartial due process hearing if you disagree with the school district's decisions regarding your child's Section 504 identification, evaluation or educational placement. The costs for this hearing are borne by the local school district. You and the student have the right to take part in the hearing and to have an attorney represent you at your expense;
14. To file a local grievance/complaint with the district's designated Section 504/ADA Coordinator to resolve complaints of discrimination including, but not limited to,

claims of discrimination directly related to the identification, evaluation or placement of your child; and

15. To file a formal complaint with the U.S. Department of Education, Office for Civil Rights.
