A. OPENING

A.1. & 2. Meeting Called to Order
Chairperson Thames called the meeting to order at 7:04 p.m. All in attendance participated in the Pledge of Allegiance to the Flag, led by Mr. Thames.

A.3. Approval of Minutes of Previous Meeting

APPROVED – Minutes Regular Meeting of the Board of Education of April 8, 2021. Acting Secretary Stevanovicz moved and Mr. Heinrich seconded the motion.

7/0 – Voted in favor.

B. COMMITTEE REPORTS

B.1. Diversity, Equity, and Inclusion Committee
Ms. Luna reviewed that the last meeting was held March 31, 2021 with the following Committee Members in attendance: Emily Luna, Darryl Thames, Peter
Meggers. Other meeting attendees were Matt Geary, Diane Kearney, Linda Harris, Renise Washington, Teresa Quintana and Angela Bellas.

Community Members shared questions about translation of materials, summer programming, rental assistance, and additional EBT cards. The Superintendent will inquire about a second round of EBT cards. Information will be provided in Spanish.

There was some concern about the lack of support (particularly rental assistance) provided for undocumented residents. CT Mutual Aid East of the River. Mixed messages from the state because Social Security Numbers are not required to receive rental assistance. There are programs where residents can receive up to $10,000, but it doesn't look like this includes undocumented citizens.

There was also an inquiry about what is available for kids during spring and summer breaks. The Superintendent will be supporting a robust summer program that will be free to all Manchester Students PK-12. There will be two different 3-week sessions. There will be job opportunities for high school students as well as academic assistance.

There are Covid-19 vaccinations days organized through the town for all residents with additional vaccines set aside for residents of color on Tuesdays at the Senior Center in Manchester.

PowerUp coordinated a memorial service for Jose Soto on Friday, April 2nd. They also sponsored a mobile pantry in the parking lot of Nathan Hale School on the 2nd as well. If anyone knows of any black or brown child who needs a bike, please contact PowerUpManchester@gmail.com.

PowerUp Spring Eggstravaganza will take place in April. You can follow PowerUp on social media to get more information.

Renise Washington gave an overview of the MPS Affinity Spaces that have been created at each school for staff of color. The main purpose of an affinity group
is to promote diversity and inclusion. These groups provide a space for individuals (usually members of historically underrepresented or marginalized groups) to connect, share experiences, exchange resources, and identify successes and challenges that impact their ability to engage with others or with an organization. Research has demonstrated that affinity groups are important for the healthy development and sustainability of organizations. We believe it is important to allow staff to come together out of a common, marginalized experience or identity, convening to support each other and even promoting progressive change in or on behalf of the organization.

There is also a district-level group of white educators and support staff which has representatives from each building and the School Equity Team. This group is for white people looking to stand in solidarity with BIPOC colleagues and build their capacity to support other white people in addressing issues of racial inequity.

Opportunities for affinity spaces for community members will be discussed at the next meeting. Mr. Geary will give an update on ESSER 2/American Recovery grant funds that will be coming to Manchester at the next meeting as well.

**B.2. Personnel & Finance Committee**

**Mr. Hughes** reviewed that the last meeting was held on April 8th. In attendance were Mr. Thames, Ms. Patterson, Mr. Hughes and Mr. Meggers. Also at the meeting were Mr. Geary, Ms. Clancy and Mr. Boutilier.

There was discussion of the recognition of Juneteenth (June 19th) as an official MPS holiday to commemorate the emancipation of those who had been enslaved in the United States. A draft MOU will go to the full Board for consideration at the next meeting.

Manchester High School grandstand and press box project was discussed. Mr. Boutilier and Ms. Clancy discussed with town staff the possibility for the replacement and expansion of the high school grandstand and press box to be included in the next Public Works bond that will go to referendum in November. Economic stimulus funding could be another option to fund this project, as the
project could be eligible due to social distancing requirements. It is likely that a resolution will be brought to the full Board at its next meeting.

Ms. Clancy reviewed the FY 2020-2021 Budget Status. A significant available balance is projected through savings in contracted services and transportation as well as smaller balances in other areas. Spending this fiscal year has been unique and has provided the opportunity for the district to adapt to the hybrid learning model during the pandemic. Recommendations for surplus dollars will be brought to the Board of Education and Board of Directors for consideration and possible use for future capital projects through a non-lapsing fund.

The application narrative for $6.8M in Elementary & Secondary School Emergency Relief Fund II (ESSER II) was reviewed by Mr. Geary as it relates to the funding requirements that address learning loss and the preparation for the reopening of schools.

C. CONSENT CALENDAR

Mr. Geary presented two items on the Consent Calendar for Board approval.

C.1. Personnel Action
Details had already been provided to the Board members with their agenda.

C.2. Transfer of Funds
- Transfer from Manchester High School Social Studies Field Trips account to Manchester High School Student Activities Club account in the amount of $3,440.

Acting Secretary Stefanovicz moved and Ms. Patterson seconded the recommendation to adopt the Consent Calendar as outlined in Item C of today’s agenda.

7/0 - Voted in favor.

D. STUDENT REPRESENTATIVE REPORT
Alexandra Hamza reported:
Manchester High School is back full time and while some students have had to be quarantined it has been going well. Everyone is still adjusting to the new schedule and remote learning is still ongoing. Senior events now have definite dates. This year MHS is planning a “Senior Week” beginning with the Senior Picnic and culminating with the Senior Prom. Students have been issued a digital library card that can be used to check out ebooks and audiobooks from the Public Library through the summer.

Leila Affini reported:
Yearbooks are still on sale for $50 for all students. Sports, including baseball, softball, and track and field, are underway and are in full swing. Finally, students are preparing for AP tests approaching in May and are making use of time after school sessions (1:15-2:45).

E. PUBLIC COMMENTS
None.

F. SUPERINTENDENT’S REPORT – PART I

F.1. Verplanck School Improvement Plan
Mr. Geary introduced Mr. Nicolas Jones, Principal of Verplanck, along with a number of staff members. Their entire presentation may be viewed on the website.

Mr. Gundersen appreciated that the students are referred to as scholars which sets a high standard of respect and dignity. He is also impressed that Verplanck has 34% staff of color compared to the district average of 11%. He wondered
what Mr. Jones though his secret to success was in that area. Mr. Jones feels that networking is the grass roots effort providing the opportunity to bring people of color to Manchester. Mr. Jones previously worked in both Hartford and East Hartford. Mr. Thames stated that he could feel Mr. Jones’ passion and noted that both his own son and grandson attended Verplanck. He appreciates the intentional effort to recruit a diverse group.

F.2. Covid-19 Return to School Update

Mr. Geary noted that students returned to buildings full time last week. Since then there have been ten cases of Covid-19 in the district requiring quarantines (half in elementary and half in high school). Overall, with about 6200 students and 1500 staff, that is not bad. We are still watching the community and in-person spread.

Summer Camp information went out this weekend electronically and will be mailed to parents this week. There will be two sessions of Curiosity Camp offered and we already have had about 500 students sign up for K-4 and 150 for the 5-8 program. There will also be employment opportunities for high school students.

The town is hosting three pop-up vaccine clinics this week (one was today) Tuesday and Wednesday from 2:00-6:30pm at the East Side Neighborhood Center on Spruce Street.

High School students eligible for the vaccine (age 16 and up) will be able to attend an on-side clinic next Monday, May 3rd. The second dose follows 28 days later.

Mr. Geary is excited about the summer programming and end of year events.

G. UNFINISHED BUSINESS

None.

H. NEW BUSINESS
H.1. **Healthy Food Certification**

Mr. Geary reviewed that this is a yearly approval for Healthy Food Certification. The first motion is stating that we will follow the standards set by the state. If approved, the second motion allows for exceptions to the standards for events held outside of the regular school day.

Acting Secretary Stefanovicz moved for the Board of Education to approve that pursuant to CGS Section 10-215f, the Manchester Board of Education certifies that all food items offered for sale to students in the schools under its jurisdiction, and not exempted from the Connecticut Nutrition Standards published by the Connecticut State Department of Education, will comply with the Connecticut Nutrition Standards during the period of July 1, 2021, through June 30, 2022. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to, school stores, vending machines, school cafeterias, culinary programs and any fundraising activities on school premises sponsored by the school or non-school organizations and groups. Ms. Luna seconded the motion.

**DISCUSSION:**

Ms. Luna wondered if there is a list of these healthy food options. Mr. Aldi noted that this year, due to the pandemic, we are not offering these ala carte items. Once we are back to normal he will provide a list to the Board.

Mr. Thames wondered what is a “reimbursable meal”. Mr. Aldi reviewed that each meal served (at no cost to students) receives both a federal reimbursement (approximately $3.41) and a state subsidy (approximately 29-31c).

The vote was called.

7/0 - Voted in favor.
Acting Secretary Stefanovicz moved that the Manchester Board of Education will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards and beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food and beverage items are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events, but soccer practices, play rehearsals, and debate team meetings are not. The "regular school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held. Mr. Heinrich seconded the motion.

7/0 - Voted in favor.

I. PUBLIC COMMENTS (Limited to items on tonight’s agenda)

Mr. Geary read several questions from FaceBook:

- Will there be remote learning next year? Mr. Geary believes there will be some form of remote learning next year and we are awaiting guidance from the State Department of Education.
- School photos. There are no in-school photos being done this year, but there have been optional outside opportunities. Information on another sitting will be forthcoming to parents.
- If a student tests positive will peers need to quarantine if they have been vaccinated. Mr. Geary reviewed that a fully vaccinated person (staff or student) is not required to quarantine with exposure unless they show symptoms. Fully vaccinated means two weeks past the second dose of the vaccine.

Mr. Tom Stringfellow, 183 Hillstown Road, noted Earth Day was April 22nd and recommended a 3-part docu-series on Greta Thunberg on PBS. He noted the April 28
TIME magazine had an article on climate. Mr. Stringfellow recommended an article in Scientific America on how to help adolescents flourish. He recommended the books Iconic Women of Color and One Billion Americans. Last, Mr. Stringfellow noted Farmington High School students have formed an Asian American Club.

J. COMMUNICATIONS
Mr. Thames noted the Repurpose School Committee is working on what to do with the four decommissioned schools (Nathan Hale, Robertson, Washington and Martin). There will be a press conference tomorrow (4/27) at 6:00 p.m. outside Nathan Hale School. The public is invited to attend.

Subject: Permission to apply for ED-244 Grant FY21-22
Date: April 19, 2021

Background:
Manchester Adult Education Mission: It is the mission of Manchester Adult Education to meet the education needs of Manchester's adult learners and to prepare them for new technologies and 21st century economic globalization. This will be attained through goal setting and successful literacy skill acquisition, English language acquisition, high school completion, transition to post secondary education and training, and transition to employment. It is also the mission of adult education to encourage and facilitate learner persistence, defined as a continuous learning process that lasts until an adult learner meets his or her education goals. Learners will be encouraged to engage in a lifetime of inquiry and learning.

Manchester Adult Education Vision: Manchester Adult Education will provide adult learners with the highest quality of adult education and literacy services. It will provide a comprehensive set of services in a consistent manner. It will be accountable for successful learner outcomes as measured by state and local standards. Adult Education will demonstrate success by designing and planning programs that help learners to achieve their educational, employment, family and community goals. Residents who participate in these programs will achieve learning gains, earn high school diplomas, enter postsecondary education/training and attain employment outcomes.

Race and Culture Reflection Questions

How did your race, gender, ethnicity, sexual orientation, socio-economic status, ability, first language, background and experiences, impact your learning?

- Why did the topic interest you?
- Why didn’t you try to learn this previously or if you did, why did you stop?
- Who helped you learn and what was that person’s race, gender, ethnicity, sexual orientation, socio-economic status, ability, first language, background and experiences
- Who else engages in the activity you tried to learn?
- What resources are required to engage in this activity?
- How many of your students do you think would be interested in learning what you learned? Why
Journal Your Experience....

1. Hire a friend (or a chef) to teach you how to cook a meal or two that reflects a race and culture that you would never find yourself doing. Then share it and discuss.
2. Hire a Historian to take you to a museum or two to not just look at pictures but to learn about the history behind the picture.
3. Learn (or watch) how to play a sport or two that reflects another race and culture (cricket, dominoes, etc.).
4. Learn about the history of languages (Haitian Creole, Jamaican Patwa, Southern/Black dialect).
5. Take a mini course from a colleague to learn about their heritage and languages and what freedom required.
6. Take a class (informal or not) about the history of Puerto Rico given the misconception.
7. Create a book club and read a series of books or a book on race and meet (virtually) to discuss and process.
8. Write a racial autobiography and meet up (virtually) with a few others who’s willing to do the same and process.
9. Hang out and talk about race and/or culture with (virtually) people you wouldn’t normally talk to about this.
10. Learn how to play a Steele drum or a Ghanaian drum or Latin percussion and its history.
11. Learn particular dances (the wobble, the electric slide).
12. Choose something similar in nature to any of these!

Now the idea is to do something that might make you uncomfortable, so try not to take the easy way out.
INTRODUCTION TO EQUITY

This Book is Anti-Racist by Tiffany Jewell

I look at people for whom they are. I believe that conversations about race has the potential to divide people, so it doesn’t always have to be about race. Racism can only be intentional. I don’t see color because at the end of the day all lives matter.

UNDERSTANDING EQUITY

White Fragility by Robin DiAngelo
Just Mercy by Bryan Stevenson

I am sympathetic to issues about racism, but I can’t do anything about it. I find it difficult to speak publicly about it. I don’t want to feel alienated or alienate others. Frankly, it makes me uncomfortable.

EQUITY IN THEORY

Young, Gifted, and Black by Theresa Perry

I am comfortable talking about race, and I am comfortable being uncomfortable. I recognize that it is my responsibility to do the work around racism, and I am a true believer that black lives matter too because I do see color. I also recognize that race impacts my life all of the time.

EQUITY IN ACTION

Stamped: Racism, Antiracism, & You by Reynolds and Kendi
So You Want to Talk About Race by Ijeoma Oluo

I accept that I have white privilege. In fact, all of us are socialized into racism. Equity is not a separate body of work; racial equity is embedded into everything I do (classroom practices; hiring; interaction with students). I have the courage to lead the work because I recognize that the antidote to guilt is action.
I am not a racist, but I am!

This is my aha moment!

MEMORANDUM OF UNDERSTANDING

Town of Manchester, Connecticut

This Memorandum of Understanding (or MOU) is made on June 8th, 2021, by and between the Manchester Board of Education (the “Board of Education”) and the Town of Manchester (the “Town”).

WHEREAS Connecticut General Statutes (CGS) 10-248a authorizes Towns to establish a nonlapsing account for unspent Board of Education operating budget funds, in an amount not to exceed 2% of the Board of Education budget, and

WHEREAS the Board of Education is projecting budgetary savings in the current fiscal year ending June 30, 2021, as a result of program closures and amendments due to the Covid-19 pandemic, and

WHEREAS the Board of Education has expressed an interest in retaining these funds pursuant to CGS 10-248a for the purpose of funding capital needs.

Purpose

The purpose of this MOU is to establish an agreement for the setting-aside and future use of unspent Board of Education General Fund appropriations in a non-lapsing account for use in subsequent fiscal years.

Cooperation

The Town of Manchester agrees to appropriate unencumbered and available FY2021 Board of Education operating funds, in an amount not to exceed 2% of the FY2021 operating budget, up to $2,355,480, in a nonlapsing account which will remain available until all funds are either spent or re-appropriated by agreement of both parties.

The Board of Education agrees to spend said funds towards education-related capital expenses, as approved by vote of the Board of Education.

Term of Agreement

This agreement shall remain in effect until all funds set aside through this agreement have been expended or re-allocated.
