FACILITIES MAINTENANCE POLICY

The Manchester Board of Education believes that the condition of the school buildings is central to the capacity of the schools to provide an excellent education. Therefore, school buildings and grounds shall provide to students, staff and visitors a safe and comfortable environment, with appropriate fixtures and furnishings, in order to provide an atmosphere conducive to learning.

The Superintendent, in cooperation with the Business Manager, shall create a comprehensive maintenance plan for long and short-term projects. A summary of the plan will be presented to the Building and Sites Committee on or about December 1 for each school year and the Board of Education during the regularly scheduled first meeting in March of each school year. It is recognized that the plan is subject to review and modification based upon the needs of the school district.

Adequate funding will be defined in the guidelines for

- Custodial Supplies/Materials
- Maintenance Supplies/Materials
- Capital Improvements

(Each category is exclusive of salaries/benefits/overtime)

Changing the funding guidelines will require a 2/3 vote of the Board of Education.

Oversight of this policy will be in the realm of the Building and Sites Committee and the Board of Education. Reports relative to the condition of the facilities will be shared quarterly with the Building and Sites Committee and semi-annually with the Board of Education.

Accountability: Superintendent, Business Manager, Principals

Adopted: October 13, 1999
Administrative Guidelines

Facilities expenses shall be divided into three major categories:

Custodial Supplies/Materials

Maintenance Supplies/Materials

Capital Improvements

(Each category is exclusive of salaries/benefits/overtime)

Minimum funding levels are established for the following categories as follows:

CUSTODIAL CLEANING SUPPLIES: The Manchester Board of Education shall set forth a budget of not less than $.25 per square foot for custodial cleaning supplies and materials.

MAINTENANCE SUPPLIES: The Manchester Board of Education shall set forth a budget of not less than $.30 per square foot for maintenance materials.

To allow the Board of Education to have flexibility, funds not expended for custodial and maintenance supplies during the school year will be "rolled into" the Facilities Improvement Supplies Account in accordance with a plan approved by the Manchester Board of Directors, until a "cap" equal to 2.5% the total local School Budget approved by the Board of Directors (excluding grants) is reached, or remain as a budget surplus to be rolled into the Capital Reserve Account. The transfer (to the Facilities Improvement Account) would be in conjunction to the normal transfer in agreement with the Board of Directors to the Capital Reserve Account. This account will be reserved for sole use with regards to improvements by the Buildings and Grounds Department and any requests for funds will require the approval of the Superintendent of Schools, Board of Education, and the Board of Directors.

CAPITAL IMPROVEMENTS:
Capital improvements will include, but not be limited to any expenditures for the purchase and installation, including all ancillary expenses for delivery, rigging, etc., of new, permanent facility systems, replacement or upgrade to an existing permanent facility system having a useful life of at least one year,
and which extends the life and/or expands the utility of the system, and incurs an installed cost in excess of $1,000.

The Board of Education will set aside not less than .3% of the approved local School Budget approved by the Board of Directors (excluding grants) for Capital Improvements.

Funds not expended during the school year will be "rolled into" the existing, approved Town Capital Reserve Account in accordance with the plan approved by the Manchester Board of Education and Manchester Board of Directors.

Square foot will be defined as the total square footage of the Manchester Public Schools. (1,238,772)

Increases to the per foot allotment will be determined by the Board of Education following a review of the current expenses, anticipated expenses and may also be tied to the consumer Price Index as recorded on November 1 of the current budget year.

No transfers out of any Buildings and Grounds accounts will be approved without a 2/3 vote of the Board of Education.

In addition, beginning with the 2000-01 school year and continued in subsequent years, a sum not less than .25% of the approved local School Budget approved by the Board of Directors (excluding grants), will be set aside for Capital Repairs and Improvements Program. This fund will permit the Buildings and Grounds Department to prepare bids prior to May 1 and award those bids in advance of June 30th for the coming school year.

Additional funds may be added to the Building and Grounds' line items as approved by a majority vote of the Manchester Board of Education.

October 13, 1999 - 1,232,452
Revised December 15, 2000 - 1,237,852 (portable classrooms) Revised November 13, 2001 - 1,238,772 (portable classrooms)

Accountability: Superintendent, Business Manager, Principals

Adopted: October 13, 1999
Revised: February, 2015
Administrative Guidelines:

Facilities expenses shall be divided into four major categories:

Custodial Supplies and Materials

Maintenance Supplies and Materials

Limited Scope Capital Improvements

Capital Repairs

Each category is exclusive of salaries/benefits/overtime

Minimum funding levels are established for the following categories as follows:

CUSTODIAL CLEANING SUPPLIES: The Manchester Board of Education shall set forth a budget of not less than $.25 per square foot for custodial cleaning supplies and materials.

MAINTENANCE SUPPLIES: The Manchester Board of Education shall set forth a budget of not less than $.30 per square foot for maintenance materials.

To allow the Board of Education to have flexibility, funds not expended for custodial and maintenance supplies during the school year will be "rolled into" the Facilities Improvement Supplies Account in accordance with a plan approved by the Manchester Board of Directors, until a "cap" equal to 2.5% the total local School Budget approved by the Board of Directors (excluding grants) is reached, or remain as a budget surplus to be rolled into the Capital Reserve Account. This account will be reserved for sole use with regards to improvements by the Buildings and Grounds Department and any requests for funds will require the approval of the Superintendent of Schools, Board of Education, and the Board of Directors.

Minor CAPITAL IMPROVEMENTS:

Minor capital improvements will include, but not be limited to any expenditures for the purchase and installation, including all ancillary expenses for delivery, rigging, etc., of new, permanent facility systems, replacement or upgrade to an existing permanent facility system having a useful life of at least one year, and which will either enhance the property's overall value or increases its efficiency, strength, capacity, quality, or useful life and incurs an installed cost in excess of $10,000.

For example, oil tank replacements, window replacements, renovations of classrooms and other areas would be considered capital improvements.

The Board of Education will set aside not less than 0.6% of the approved local School Budget approved by the Board of Directors (excluding grants) for Capital Improvements.

CAPITAL REPAIRS:

Capital Repairs are improvements that keep property in efficient operating condition, restore the property to its previous condition, protect the underlying property through routine maintenance, or allow for incidental repair to property.
For example, boiler repairs, emergency asbestos removal, repaired doors, and carpet replacements are examples of capital repairs.

The Board of Education shall set aside not less than 0.35% of the approved local School Budget approved by the Board of Directors (excluding grants) for Capital Repairs.

These funds will permit the Buildings and Grounds Department to prepare bids prior to May 1 and award those bids in advance of June 30th for the coming school year.

Additional funds may be added to the Building and Grounds' line items as approved by a majority vote of the Manchester Board of Education.

Funds not expended during the school year will be "rolled into" the existing, approved Town Capital Reserve Account in accordance with the plan approved by the Manchester Board of Education and Manchester Board of Directors.

(1,238,772) Increases to the per foot allotment will be determined by the Board of Education following a review of the current expenses, anticipated expenses and may also be tied to the consumer Price Index as recorded on November 1 of the current budget year.

No transfers out of any Buildings and Grounds accounts will be approved without a 2/3 vote of the Board of Education.
Requirements for Graduation from Manchester High Schools:

Effective with the Class of 2019, to graduate from the Manchester Public Schools a student must have earned a minimum of **25 credits** and must have met the credit distribution requirement.

This must include a minimum of the following core requirements:

**9.0 Credits in Humanities including not fewer than**

4.0 credits in English
4.0 credits in Social Studies, including 1 credit in U.S. History; and at least one-half credit in a Civics and American government course and a half-credit in *Living in a Global Society*
1.0 credit in Fine or Performing Arts

**8 credits in Science, Technology, Engineering, and Mathematics including not fewer than**

4.0 credits in Math, including Algebra I, Geometry, and Algebra II or Probability and Statistics
3.0 credits in Science, including at least one credit in life science and at least one credit in physical science
1.0 credit in Science, Technology, Engineering, and Mathematics electives

**4.0 credits in Career and Life Skills including not fewer than**

2.0 credits in Wellness, including 1.25 credits in Physical Education, .75 credits in Health
1.5 credits in career and life skills electives, such as career and technical education, English as a second language, community service, and public speaking
.5 credits in Personal Finance

**2.0 credits in World Language**

**1.0 credit in general electives**

**1.0 credit demonstration project or its equivalent**

Beginning with the Class of 2019, students must meet eight performance standards: Critical Thinking, Reading, Writing, Oral Presentation, Application of Technology, Collaboration, Wellness, and Service Learning. The performance standards are described below.

GRADE LEVEL DETERMINATION: Students will not be automatically promoted to the next grade. The number of credits a student has earned by the end of summer school will be used to determine his/her grade classification:

Grade 10: 5 credits, at least four of which have been completed at Manchester High School and 3 of which must be in the area of English, Math, Science, Social Studies
Grade 11: 11 credits
Grade 12: 17 credits
Performance Standards

Effective with the Class of 2019, new graduation performance standards will be implemented.

Students at Manchester High School will:

1. Effectively apply critical and creative thinking skills to solve relevant problems.
2. Actively read, analyze, evaluate, and synthesize informational and persuasive texts
3. Produce written materials that appropriately respond to the varying demands of audience, task, purpose, and discipline
4. Create, interpret, and evaluate verbal and nonverbal presentations using a variety of tools/media in varied contexts for a variety of purposes
5. Access and apply appropriate digital resources, media, and other technology in varied contexts for a variety of purposes
6. Work collaboratively to solve problems and accomplish goals
7. Make appropriate decisions in the areas of health, wellness, and physical fitness

In the courses in the departments indicated in the matrix below, students will have designated assignments that measure their ability to meet each of the academic expectations. Performance requirements will be assessed twice yearly (at the end of the second quarter and the end of the fourth quarter) and the student’s level of proficiency will be indicated on report cards in the subject areas outlined in the matrix below. To meet the graduation performance standard in each area, a student must score at or above proficient the number of times indicated in the chart below during their sophomore, junior and senior years.

8. Contribute positively to the community.

Students must complete a Service Learning requirement under the supervision of a teacher in the senior year. It is possible for a student to complete this requirement in another discipline and earlier than the senior year, but all projects will be evaluated by senior-year social studies teachers. The purpose of the requirement is to build stronger partnerships with the community, explore career paths, promote active citizenship, and provide real life experiences for students. The Service Learning Project will be scored using a uniform rubric.

Steps for the service learning project

- The student will identify a problem or issue in the "real world."
- The student will list goals for a project that will further analyze and/or help "solve" this problem.
- The student will research the project and construct a strategy to further evaluate the problem or issue.
- The student will execute the strategy, with input from both the student’s teacher and appropriate community representation.

Manchester Public Schools  
Board of Education  
Policy Committee  
Minutes  
Monday, February 23, 2015  
Lincoln Center  
5:30 PM

Members Present: Maria Cruz, Deb Hagenow, Mary-Jane Pazda

Others Present: Matt Geary, Superintendent of Schools

Absent: Carl Stafford

The meeting was called to order at 5:30 P.M.

1. The committee endorsed the Facilities Maintenance Policy 3510 and will send it for the full Board of Education for consideration

2. The committee requested the administration review the draft Professional Growth Policy and connect the language to outcomes for students then bring the policy back to the committee.

3. The committee endorsed the Requirements for Graduation from Manchester High School, Policy 5127.1 and will send it for the full Board of Education for consideration

4. The committee endorsed the concept of an Advertising Policy and requested that the administration clarify language in the draft policy and bring it back to the committee.

5. The committee discussed school uniforms which are currently in place at Bennet Academy and Illing Middle School. The committee agreed that it was not necessary to have the Manchester Public Schools logo on the polo shirts and will allow parents / guardians to purchase polo shirts without logos. The committee also requested that the administration clarify other dress code issues including relaxing the requirement that students tuck their shirts in as well as identifying a dress down day process for students.

The meeting adjourned at 6:30 P.M.

Next Meeting Date: Monday, March 23 at 5:30 PM.

Submitted by Matt Geary, Superintendent of Schools
