Subject: Permission to apply for FY17-18 General Improvements to Alliance Districts' School Buildings Grant Program

Date: March 9, 2017

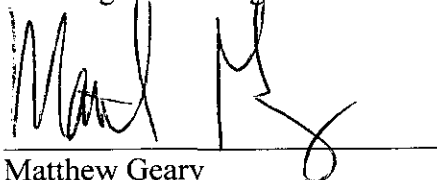

Background: Public Act 15-1 created the General Improvements to Alliance Districts' School Buildings Grant Program to help maintain or repair school buildings in Alliance Districts. The Verplanck Family-School Compact

When all of us who care for children work together, we CAN achieve our goals.

- A cooperative agreement and plan to increase student achievement by focusing on specific skills required in each grade level.
- An outline of how parents, teachers and students will work together to support the goals of the district, Verplanck School and the standards and expectations of the Common Core for Learning.

What's a Connection Kit?

This kit is a cooperative plan to increase student achievement by focusing on specific skills required in each grade level. It outlines how parents, teachers and students will work together to support the goals of the district, Verplanck School and the standards and expectations of the Common Core for Learning. This document was a collaborative effort from the parents, students and staff at Verplanck Elementary. The goals of each grade level were identified, teachers offered specific strategies to parents for home support, and families offered ideas on how they can support the grade level focus.

EMPLOYMENT CHECKS**4000**

As set forth below, each applicant for a position with the district shall be asked whether he/she has ever been convicted of a crime, whether there are any criminal charges pending against him/her and whether the applicant is included on the Abuse and Neglect Registry of the Connecticut Department of Children and Families (“DCF”) (the “Registry”). If the applicant’s current or most recent employment occurred out of state, the applicant will also be asked whether he/she is included on an equivalent database and/or abuse/neglect registry maintained in that other state.* Applicants shall not be required to disclose any arrest, criminal charge or conviction that has been erased.

In addition, the district shall conduct an employment history check for each applicant for a position, as set forth below.

I. Employment History Check Procedures

- A. The district shall not offer employment to an applicant for a position, including any position that is contracted for, if such applicant would have direct student contact, prior to the district:
 - 1. Requiring the applicant:
 - a. to list the name, address, and telephone number of each current or former employer of the applicant, if such current or former employer was a local or regional board of education, council or operator or if such employment otherwise caused the applicant to have contact with children;
 - b. to submit a written authorization that
 - (i) consents to and authorizes disclosure by the employers listed under paragraph I.A.1.a of this policy of the information requested under paragraph I.A.2 of this policy and the release of related records by such employers,
 - (ii) consents to and authorizes disclosure by the Department of Education of the information requested under paragraph I.A.3 of this policy and the release of related records by the department, and
 - (iii) releases those employers and the Department of Education from liability that may arise from such disclosure or release of records pursuant to paragraphs I.A.2 or I.A.3 of this policy; and
 - c. to submit a written statement of whether the applicant
 - (i) has been the subject of an abuse or neglect or sexual misconduct investigation by any employer, state agency or municipal police

department, unless the investigation resulted in a finding that all allegations were unsubstantiated,

- (ii) has ever been disciplined or asked to resign from employment or resigned from or otherwise separated from any employment while an allegation of abuse or neglect was pending or under investigation by DCF, or an allegation of sexual misconduct was pending or under investigation or due to an allegation substantiated pursuant to Conn. Gen. Stat. § 17a-101g or abuse or neglect, or of sexual misconduct or a conviction for abuse or neglect or sexual misconduct, or
 - (iii) has ever had a professional or occupational license or certificate suspended or revoked or has ever surrendered such a license or certificate while an allegation of abuse or neglect was pending or under investigation by DCF or an investigation of sexual misconduct was pending or under investigation, or due to an allegation substantiated by DCF of abuse or neglect or of sexual misconduct or a conviction for abuse or neglect or sexual misconduct;
- 2. Conducting a review of the employment history of the applicant by contacting those employers listed by the applicant under paragraph I.A.1.a of this policy. Such review shall be conducted using a form developed by the Department of Education, which shall request the following:
 - a. the dates employment of the applicant, and
 - b. a statement as to whether the employer has knowledge that the applicant:
 - (i) was the subject of an allegation of abuse or neglect or sexual misconduct for which there is an investigation pending with any employer, state agency, or municipal police department or which has been substantiated;
 - (ii) was disciplined or asked to resign from employment or resigned from or otherwise separated from any employment while an allegation of abuse or neglect or sexual misconduct was pending or under investigation, or due to a substantiation of abuse or neglect or sexual misconduct; or
 - (iii) has ever had a professional or occupational license, certificate, authorization or permit suspended or revoked or has ever surrendered such a license, certificate, authorization or permit while an allegation of abuse or neglect or sexual misconduct was pending or under investigation, or due to a substantiation of abuse or neglect or sexual misconduct. Such review may be conducted

telephonically or through written communication. Notwithstanding the provisions of subsection (f) of Conn. Gen. Stat. § 31-51i, not later than five (5) business days after the district receives a request for such information about an employee or former employee, the district shall respond with such information. The district may request more information concerning any response made by a current or former employer for information about an applicant, and, notwithstanding subsection (f), such employer shall respond not later than five (5) business days after receiving such request.

3. Requesting information from the Department of Education concerning:
 - a. the eligibility status for employment of any applicant for a position requiring a certificate, authorization or permit,
 - b. whether the Department of Education has knowledge that a finding has been substantiated by DCF pursuant to Conn. Gen. Stat. § 17a-101g of abuse or neglect or of sexual misconduct against the applicant and any information concerning such a finding, and
 - c. whether the Department of Education has received notification that the applicant has been convicted of a crime or of criminal charges pending against the applicant and any information concerning such charges.
- B. Notwithstanding the provisions of subsection (f) of Conn. Gen. Stat. § 31-51i, if the district receives information that an applicant for a position with or an employee of the board has been disciplined for a finding of abuse or neglect or sexual misconduct, it shall notify the Department of Education of such information.
- C. The district shall not employ an applicant for a position involving direct student contact who does not comply with the provisions of paragraph I.A.1 of this policy.
- D. The district may employ or contract with an applicant on a temporary basis for a period not to exceed ninety (90) days, pending the district's review of information received under this section, provided:
 1. The applicant complied with paragraph I.A.1 of this policy;
 2. The district has no knowledge of information pertaining to the applicant that would disqualify the applicant from employment with the district; and
 3. The applicant affirms that the applicant is not disqualified from employment with the district.

- E. The district shall not enter into a collective bargaining agreement, an employment contract, an agreement for resignation or termination, a severance agreement, or any other contract or agreement or take any action that:
1. Has the effect of suppressing information relating to an investigation of a report of suspected abuse or neglect or sexual misconduct by a current or former employee;
 2. Affects the ability of the district to report suspected abuse or neglect or sexual misconduct to appropriate authorities; or
 3. Requires the district to expunge information about an allegation or a finding of suspected abuse or neglect or sexual misconduct from any documents maintained by the district, unless, after investigation, such allegation is dismissed or found to be false.
- F. The district shall not offer employment to a person as a substitute teacher, unless such person and the district comply with the provisions of paragraph I.A of this policy. The district shall determine which such persons are employable as substitute teachers and maintain a list of such persons. The district shall not hire any person as a substitute teacher who is not on such list. Such person shall remain on such list as long as such person is continuously employed by the district as a substitute teacher as described in paragraph III.B.2 of this policy, provided the district does not have any knowledge of a reason that such person should be removed from such list.
- G. In the case of an applicant who is a contractor, the contractor shall require any employee with such contractor who would be in a position involving direct student contact to supply to such contractor all the information required of an applicant under paragraphs I.A.1.a. and I.A.1.c of this policy and a written authorization under paragraph I.A.1.b. of this policy. Such contractor shall contact any current or former employer of such employee that was a local or regional board of education, council, or operator or if such employment caused the employee to have contact with children, and request, either telephonically or through written communication, any information concerning whether there was a finding of abuse or neglect or sexual misconduct against such employee. Notwithstanding the provisions of subsection (f) of Conn. Gen. Stat. § 31-51i, such employer shall report to the contractor any such finding, either telephonically or through written communication. If the contractor receives any information indicating such a finding or otherwise receives any information indicating such a finding or otherwise has knowledge of such a finding, the contractor shall, notwithstanding the provisions of subsection (f) of Conn. Gen. Stat. § 31-51i, immediately forward such information to the district, either telephonically or through written communication. If the district receives such information, it shall determine whether such employee may work in a position involving direct student contact at any school in the district. No determination by the district that any such employee shall not work under any such contract in any such position shall constitute a breach of such contract.

- H. Any applicant who knowingly provides false information or knowingly fails to disclose information required in subdivision (1) of subsection (A) of this section shall be subject to discipline by the district that may include
 - 1. denial of employment, or
 - 2. termination of the contract of a certified employee, in accordance with the provisions of Conn. Gen. Stat. § 10-151.
- I. If the district provides information in accordance with paragraph I.A.2. or I.G. of this policy, the district shall be immune from criminal and civil liability, provided the district did not knowingly supply false information.
- J. Notwithstanding the provisions of Conn. Gen. Stat. § 10-151c and subsection (f) of Conn. Gen. Stat. § 31-51i, the district shall provide, upon request by another local or regional board of education, governing council of a state or local charter school or interdistrict magnet school operator for the purposes of an inquiry pursuant to paragraphs I.A.2 or I.G. of this policy or to the Commissioner of Education pursuant to paragraph I.B. of this policy any information that the district has concerning a finding of abuse or neglect or sexual misconduct by a subject of any such inquiry.
- K. For the purposes of this policy:
 - 1. “Sexual misconduct means” any verbal, nonverbal, written, or electronic communication, or any other act directed toward or with a student that is designed to establish a sexual relationship with the student, including a sexual invitation, dating or soliciting a date, engaging in sexual dialog, making sexually suggestive comments, self-disclosure or physical exposure of a sexual or erotic nature, and any other sexual, indecent, or erotic contact with a student
 - 2. “Abuse or neglect” means abuse or neglect as described in Conn. Gen. Stat. § 46b-120, and includes any violation of Conn. Gen. Stat. §§ 53a-70 (sexual assault in the first degree), 53a-70a (aggravated sexual assault in the first degree), 53a-71 (sexual assault in the second degree), 53a-72a (sexual assault in the third degree), 53a-72b (sexual assault in the third degree with a firearm), or 53a-73a (sexual assault in the fourth degree).
- L. Prior to offering employment to an applicant, the district shall make a documented good faith effort to contact each current and any former employer of the applicant that was a local or regional board of education, governing council of a state or local charter school or interdistrict magnet school operator or if such employment otherwise caused the applicant to have contact with children in order to obtain information and recommendations that may be relevant to the applicant’s fitness for employment. Such effort, however, shall not be construed to require more than three telephonic requests made on three separate days.

- M. The district shall not offer employment to any applicant who had any previous employment contract terminated by a board of education, governing council of a state or local charter school or interdistrict magnet school operator, or who resigned from such employment, if the person has been convicted of a violation of Conn. Gen. Stat. § 17a-101a, when an allegation of abuse or neglect or sexual assault has been substantiated.

II. DCF Registry Checks

Prior to hiring any person for a position with the district, the district shall require such applicant to submit to a records check of information maintained on the Registry concerning the applicant.

For any applicant whose current or most recent employment occurred out of state, the district shall request that the applicant provide the district with authorization to access information maintained concerning the applicant by the equivalent state agency in the state of most recent employment, if such state maintains information about abuse and neglect and has a procedure by which such information can be obtained. Refusal to permit the district to access such information shall be considered grounds for rejecting any applicant for employment.

The district shall request information from the Registry or its out of state equivalent promptly, and in any case no later than thirty (30) days from the date of employment. Registry checks will be processed according to the following procedure:

- A. No later than ten (10) calendar days after the Superintendent or his/her designee has notified a job applicant of a decision to offer employment to the applicant, or as soon thereafter as practicable, the Superintendent or designee will either obtain the information from the Registry or, if the applicant's consent is required to access the information, will supply the applicant with the release form utilized by DCF, or its out of state equivalent when available, for obtaining information from the Registry.
- B. If consent is required to access the Registry, no later than ten (10) calendar days after the Superintendent or his/her designee has provided the successful job applicant with the form, the applicant must submit the signed form to DCF or its out of state equivalent, with a copy to the Superintendent or his/her designee. Failure of the applicant to submit the signed form to DCF or its out of state equivalent within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
- C. Upon receipt of Registry or out-of-state registry information indicating previously undisclosed information concerning abuse or neglect investigations concerning the successful job applicant/employee, the Superintendent or his/her designee will notify the affected applicant/employee in writing of the results of the Registry check and will provide an opportunity for the affected applicant/employee to respond to the results of the Registry check.
- D. If notification is received by the Superintendent or designee that that the applicant is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent or designee shall provide the applicant with an opportunity to be heard regarding the results of the Registry

check. If warranted by the results of the Registry check and any additional information provided by the applicant, the Superintendent or designee shall revoke the offer of employment and/or terminate the applicant's employment if he or she has already commenced working for the district.

III. Criminal Records Check Procedure

- A. Each person hired by the district shall be required to submit to state and national criminal record checks within thirty (30) days from the date of employment. Each worker placed within a school under a public assistance employment program, employed by a provider of supplemental services pursuant to the No Child Left Behind Act or in a nonpaid, noncertified position completing preparation requirements for the issuance of an educator certificate, who performs a service involving direct student contact shall also be required to submit to state and national criminal record checks within thirty (30) days from the date such worker begins to perform such service. Record checks will be processed according to the following procedure:*
1. No later than five (5) calendar days after the Superintendent or his/her designee has notified a job applicant of a decision to hire the applicant, or as soon thereafter as practicable, the Superintendent or his/her designee will provide the applicant with a packet containing all documents and materials necessary for the applicant to be fingerprinted by the Manchester Police, their designee, or C.R.E.C. This packet shall also contain all documents and materials necessary for the police department to submit the completed fingerprints to the State Police Bureau of Identification for the processing of state and national criminal record checks. The Superintendent or his/her designee will also provide each applicant with the following notifications before the applicant obtains his/her fingerprints: (1) Agency Privacy Requirements for Noncriminal Justice Applicants; (2) Noncriminal Justice Applicant's Privacy Rights; (3) and the Federal Bureau of Investigation, United States Department of Justice Privacy Act Statement.
 2. No later than ten (10) calendar days after the Superintendent or his/her designee has provided the successful job applicant with the fingerprinting packet, the applicant must arrange to be fingerprinted by the Manchester Police, their designee, or C.R.E.C. Failure of the applicant to have his/her fingerprints taken within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
 3. Any person for whom criminal records checks are required to be performed pursuant to this policy must pay all fees and costs associated with the fingerprinting process and/or the submission or processing of the requests for criminal record checks.
 4. Upon receipt of a criminal record check indicating a previously undisclosed

conviction, the Superintendent or his/her designee will notify the affected applicant/employee in writing of the results of the record check and will provide an opportunity for the affected applicant/employee to respond to the results of the criminal record check. The affected applicant/employee may notify the Superintendent or his/her designee in writing within five (5) calendar days that the affected/employee will challenge his/her criminal history record check. Upon written notification to the Superintendent or his/her designee of such a challenge, the affected applicant/employee shall have ten (10) calendar days to provide the Superintendent or his/her designee with necessary documentation regarding the affected applicant/employee's record challenge. The Superintendent or his/her designee may grant an extension to the preceding ten-day period during which the affected applicant/employee may provide such documentation for good cause shown.

5. Decisions regarding the effect of a conviction upon an applicant/employee, whether disclosed or undisclosed by the applicant/employee, will be made on a case-by-case basis. Notwithstanding the foregoing, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning criminal convictions or pending criminal charges, shall be grounds for disqualification from consideration for employment or discharge from employment.
6. Notwithstanding anything in Paragraph E of Section III of this Policy, above, no decision to deny employment or withdraw an offer of employment on the basis of an applicant/employee's criminal history record shall be made without affording the applicant/employee the opportunities set forth in Paragraph D of Section III of this Policy, above.

B. Criminal Records Check for Substitute Teachers:

A substitute teacher who is hired by the district must submit to state and national criminal history record checks according to the procedures outlined above, subject to the following:

1. If the state and national criminal history record checks for a substitute teacher have been completed within one year prior to the date the district hired the substitute teacher, and if the substitute teacher arranged for such prior criminal history record checks to be forwarded to the Superintendent-then the substitute teacher will not be required to submit to another criminal history record check at the time of such hire.
2. If a substitute teacher submitted to state and national criminal history record checks upon being hired by the district, then the substitute teacher will not be required to submit to another criminal history record check so long as the substitute teacher is continuously employed by the district, that is, employed for at least one day of each

school year, by the district, provided a substitute teacher is subjected to such checks at least once every five years.

IV. Sex Offender Registry Checks

School district personnel shall cross-reference the Connecticut Department of Public Safety's sexual offender registry prior to hiring any new employee. Registration as a sexual offender constitutes grounds for denial of employment opportunities.

V. Credit Checks

The district may also ask a prospective employee for a credit report for employment for certain district positions, where the district's receipt of a credit report is substantially related to the employee's potential job. Substantially related is defined to mean "the information contained in the credit report is related to the position for which the employee or prospective employee who is the subject of the report is being evaluated." Prior to asking for a credit report, the district will determine whether the position falls within one of the categories as described in this paragraph. The position must: (1) be a managerial position which involves setting the direction or control of the district; (2) involve access to employees' personal or financial information; (3) involve a fiduciary responsibility to the district, including, but not limited to, the authority to issue payments, collect debts, transfer money or enter into contracts; (4) provide an expense account or district debit or credit card; or (5) involve access to the district's nonfinancial assets valued at two thousand five dollars or more.

When a credit report will be requested as part of the employment process, the district will provide written notification to prospective employee regarding the use of credit checks. That notification must be provided in a document separate from the employment application. The notification must state that the district may use the information in the consumer credit report to make decisions related to the individual's employment.

The district will obtain consent before performing the credit or other background checks. If the district intends to take an action adverse to a potential employee based on the results of a credit report, the district must provide the prospective employee with a copy of the report on which the district relied in making the adverse decision, as well as a copy of "A Summary of Your Rights Under the Fair Credit Reporting Act," which should be provided by the company that provides the results of the credit check. The district will notify the prospective employee either orally, in writing or via electronic means that the adverse action was taken based on the information in the consumer report. That notice must include the name, address and phone number of the consumer reporting company that supplied the credit report; a statement that the company that supplied the report did not make the decision to take the unfavorable action and cannot provide specific reasons for the district's actions; and a notice of the person's right to dispute the accuracy or completeness of any information the consumer reporting company furnished, and to get an additional free report from the company if the person asks for it within sixty (60) days.

VI. Notice of Conviction

If, at any time, the Board of Education receives notice of a conviction of a crime by (1) a person holding a certificate, authorization or permit issued by the State Board of Education, or (2) a person employed by a provider of supplemental services, the Board shall send such notice to the State Board of Education.

VII. School Nurses

1. any account or service provided by Board or by virtue of the applicant’s employment relationship with the Board or that the applicant uses for the Board’s business purposes, or
2. any electronic communications device supplied or paid for, in whole or in part, by the Board.

- C. In accordance with applicable law, the Board maintains the right to require an applicant to allow the Board to access his or her personal online account, without disclosing the user name and password, password or other authentication means for accessing such personal online account, for the purpose of:
 - 1. conducting an investigation for the purpose of ensuring compliance with applicable state or federal laws, regulatory requirements or prohibitions against work-related employee misconduct based on the receipt of specific information about activity on an applicant's personal online account; or
 - 2. conducting an investigation based on the receipt of specific information about an applicant's unauthorized transfer of the Board's proprietary information, confidential information or financial data to or from a personal online account operated by an applicant or other source.

Agency Privacy Requirements for Noncriminal Justice Applicants

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as a job or license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notice and other information and that the results of the check are handled in a manner that protects the applicant's privacy.

- Officials must provide to the applicant written notice¹ that his/her fingerprints will be used to check the criminal history records of the FBI.
- Officials using the FBI criminal history record (if one exists) to make a determination of the applicant's suitability for the job, license, or other benefit must provide the applicant the opportunity to complete or challenge the accuracy of the information in the record.
- Officials must advise the applicant that procedures for obtaining a change, correction, or updating of an FBI criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- Officials should not deny the job, license, or other benefit based on information in the criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record solely for the purpose requested and cannot disseminate the record outside the receiving department, related agency, or other authorized entity.²

The FBI has no objection to officials providing a copy of the applicant's FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain his/her record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant's suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant notice, what constitutes "a reasonable time" for the applicant to correct or complete the record, and any applicant appeal process that is afforded the applicant. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of criminal history records for noncriminal justice purposes.

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification³ by _____ that your fingerprints will be used to check the criminal history records of the FBI.
- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the job, license, or other benefit based on information in the criminal history record.⁴
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁵
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. OF STUDENTS BY SCHOOL EMPLOYEES**

Conn. Gen. Stat. Section 17a-101 et seq. requires school employees who have reasonable cause to suspect or believe (1) that any child under eighteen has been abused or neglected, has had a non-accidental physical injury, or injury which is at variance with the history given of such injury, or has been placed at imminent risk of serious harm, or (2) that any person who is being educated by the technical high school system or a local or regional board of education, other than as part of an adult education program, is a victim of sexual assault, and the perpetrator is a school employee, to report such suspicions to the appropriate authority. Section 17a-101 et seq. to report suspected abuse and/or neglect of children or the sexual assault of a student by a school employee. 4. Reporting Procedures for Statutory Mandated Reporters

The following procedures apply only to statutory mandated reporters, as defined above.

When an employee of the Board of Education who is a statutory mandated reporter and who, in the ordinary course of the person's employment, has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, or is a victim of sexual assault by a school employee, as described in Paragraph 3, above, the following steps shall be taken.

(1) The employee shall make an oral report as soon as practicable, but not later than twelve (12) hours after having reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, or is a victim of sexual assault by a school employee. Such oral report shall be made by telephone or in person to the Commissioner of Children and Families or the local law enforcement agency. If the Building Principal is the alleged perpetrator of the abuse/neglect or sexual assault of a student, then the employee shall notify the Superintendent or his/her designee directly.

(3) In cases involving suspected or believed abuse, neglect, or sexual assault of a student by a school employee, the Superintendent or his/her designee shall immediately notify the child's parent or guardian that such a report has been made.

(4) Not later than forty-eight (48) hours after making an oral report, the employee shall submit a written report to the Commissioner of Children and Families or the Commissioner's designee containing all of the required information. The written report should be submitted on the DCF-136 form or any other form designated for that purpose.

(5) The employee shall immediately submit a copy of the written report to the Building Principal or his/her designee and to the Superintendent or the Superintendent's designee.

(6) If the report concerns suspected abuse, neglect, or sexual assault of a student by a school employee holding a certificate, authorization or permit issued by the State Department of Education, the Commissioner of Children and Families (or his/her designee) shall submit a copy of the written report to the Commissioner of Education (or his/her designee).

5. Reporting Procedures for Employees Other Than Statutory Mandated Reporters

The following procedures apply only to employees who are not statutory mandated reporters, as defined above.

- a) When an employee who is not a statutory mandated reporter and who, in the ordinary course of the person's employment or profession, has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, or is a victim of sexual assault by a school employee, as described in Paragraph 3, above, the following steps shall be taken.

(1) The employee shall make an oral report as soon as practicable, but not later than twelve (12) hours after the employee has reasonable cause to suspect or believe that a child has been abused or neglected, placed at imminent risk of serious harm or is a victim of sexual assault by a school employee. Such oral report shall be made by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.

(2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm or is a victim of sexual assault by school employee, he/she shall cause reports to be made in accordance with the procedures set forth for statutory mandated reporters.

- b) Nothing in this policy shall be construed to preclude an employee reporting suspected child abuse, neglect or sexual assault by a school employee from reporting the same directly to the Commissioner of Children and Families.

6. Contents of Reports

Any oral or written report made pursuant to this policy shall contain the following information, if known:

- a) The names and addresses of the child* and his/her parents or other person responsible for his/her care;

- k) Whatever action, if any, was taken to treat, provide shelter or otherwise assist the child.

*For purposes of this Paragraph, the term “child” includes any victim of sexual assault by a school employee, as described in Paragraph 3, above.

7. Investigation of the Report

a) The Superintendent or his/her designee shall thoroughly investigate reports of suspected abuse, neglect or sexual assault if/when such report involves an employee of the Board of Education or other individual under the control of the Board, provided such investigation does not impede an investigation by the Department of Children and Families (“DCF”). In all other cases, DCF shall be responsible for conducting the investigation with the cooperation and collaboration of the Board, as appropriate.

b) Recognizing that DCF is the lead agency for the investigation of child abuse and neglect reports and reports of a student’s sexual assault by school employees, the Superintendent's investigation shall permit and give priority to any investigation conducted by the Commissioner of Children and Families or the appropriate local law enforcement agency. The Superintendent shall conduct the district’s investigation and take any disciplinary action, consistent with state law, upon notice from the Commissioner of Children and Families or the appropriate local law enforcement agency that

the district's investigation will not interfere with the investigation of the Commissioner of Children and Families or the local law enforcement agency.

c) The Superintendent shall coordinate investigatory activities in order to minimize the number of interviews of any child or student victim of sexual assault and share information with other persons authorized to conduct an investigation of child abuse or neglect, as appropriate.

d) Any person reporting child abuse or neglect or the sexual assault of a student by a school employee, or having any information relevant to alleged abuse or neglect or of the sexual assault of a student by a school employee, shall provide the Superintendent with all information related to the investigation that is in the possession or control of such person, except as expressly prohibited by state or federal law.

e) When the school district is conducting an investigation involving suspected abuse or neglect or sexual assault of a student by an employee of the Board or other individual under the control of the Board, the Superintendent's investigation shall include an opportunity for the individual suspected of abuse, neglect or sexual assault to be heard with respect to the allegations contained within the report. **POLICY REGARDING STUDENTS AND
SECTION 504 OF THE REHABILITATION ACT OF 1973 AND
TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990**

Section 504 of the Rehabilitation Act of 1973 ("Section 504") prohibits discrimination against individuals with a disability in any program receiving Federal financial assistance. Similarly, Title II of the Americans with Disabilities Act of 1990 ("Title II" or "ADA") prohibits discrimination against individuals with a disability by state and local governments. To be protected under Section 504 and the ADA ("collectively, "Section 504/ADA"), an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

In order to fulfill its obligation under Section 504/ADA, the Manchester Public Schools recognize a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents/guardians and members of the public who participate in school sponsored programs. In this regard, the Manchester Public Schools prohibit discrimination against any person with a disability in any of the services, programs or activities of the school system.

The school district has specific responsibilities under Section 504 to identify, evaluate and provide an educational placement for students who have a physical or mental impairment that substantially limits a major life activity. The school district's obligation includes providing access to a free appropriate public education ("FAPE") for students determined to be eligible under Section 504/ADA. Under Section 504, FAPE is defined as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees imposed on nondisabled students/parents).

If the parent/guardian of a student disagrees with the decisions made by the professional staff of the school district with respect to the identification, evaluation or educational placement of his/her child, the parent/guardian has a right to request an impartial due process hearing.

In addition, a student or parent/guardian of a student may also file an internal grievance/complaint on these issues or any other type of discrimination on the basis of disability by or within the district by utilizing the grievance/complaint procedures outlined in the Board's Administrative Regulations Regarding Students and Section 504 of Rehabilitation Act of 1973 and Title II of Americans with Disabilities Act, and/or may file a complaint with the Office for Civil Rights, U.S. Department of Education ("OCR"):

Anyone who wishes to file a grievance/complaint with the district, or who has questions or concerns about this policy, should contact Ms. Sarah Burke, Director of Pupil Services, the Section 504/ADA Coordinator for the Manchester Public Schools, at phone number 860-647-5041.

Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If the complaint is made verbally, the individual taking the complaint will reduce it to writing.
- B. At any time, when a complaint involves discrimination that is directly related to a claim regarding the identification, evaluation or educational placement of a student under Section 504, the complainant may request that the Section 504/ADA Coordinator submit the complaint directly to an impartial hearing officer and request a hearing in accordance with Section III.D. Complaints regarding a student's rights with respect to his/her identification, evaluation or educational placement shall be addressed in accordance with the procedures set forth below in Section III.
- C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.
- D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures.
- E. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.
- F. The complaint should contain the following information:
 - 1. The name of the complainant;
 - 2. The date of the complaint;
 - 3. The date(s) of the alleged discrimination;
 - 4. The names of any witnesses or individuals relevant the complaint;

5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

G. Upon receipt of the complaint, the individual investigating the complaint shall:

1. Provide a copy of the written complaint to the Superintendent of Schools;
2. Meet with the complainant within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant believes have relevant information, and obtain any relevant documents the complainant may have;
3. Provide the complainant with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;

Communicate the outcome of the investigation in writing to the complainant, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify how the district will remedy any identified violations of Section 504/ADA;
7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, complainant will receive notice and interim measures may be implemented as necessary (see subparagraph 6);
8. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination are appropriately considered, and

offered, when appropriate. Corrective action should include steps to avoid continuing discrimination.

9. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.

- H. If the complainant is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for the complainant to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the complainant, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant of his/her decision within ten (10) school days following the receipt of the written request for review.

III. Grievance/Complaint Resolution Procedures for Complaints Involving a Student's Identification, Evaluation or Educational Placement

Complaints regarding a student's identification, evaluation or educational placement shall generally be handled using the procedures described below. **However, at any time, the complainant may request that the Section 504/ADA Coordinator submit the complaint directly to an impartial hearing officer, and request a hearing in accordance with the provisions of subsection D (below).**

Drug/Alcohol Violations

If a student with a disability violates the Board's policies relative to the use or possession of illegal drugs or alcohol, the Board may take disciplinary action against such student for his/her illegal use or possession of drugs or alcohol to the same extent that the Board would take disciplinary action against nondisabled students. Such disciplinary action is not subject to the complaint or due process procedures outlined below.

 - c. If, following such a meeting, further investigation is deemed necessary, the Section 504/ADA Coordinator shall promptly investigate the factual basis for the complaint, consulting with any individuals reasonably believed to have relevant information, including the student and/or complainant; and
 - d. Communicate the results of his/her investigation in writing to the complainant and any persons named as parties to the complaint (to the extent permitted by state and federal confidentiality requirements) within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator.

- e. In the event that that the Section 504/ADA Coordinator has a conflict of interest that prevents him/her from serving in this role, the complaint shall be forwarded to the Superintendent who shall appoint an investigator who does not have a conflict of interest.

B. Review by Superintendent of Schools

1. If the complainant is not satisfied with the findings and/or resolution offered as a result of the Section 504/ADA Coordinator's review, the complainant may present the complaint and the written statement of findings to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for complainants to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.
2. The Superintendent also shall consult with the complainant. The Superintendent may attempt to resolve the complainant's concerns alone, or with another appropriate administrator.
3. Following the Superintendent's review, he or she shall communicate his/her findings to the complainant within ten (10) school days following his/her receipt of the written request for review.
4. If the complainant is not satisfied with the Superintendent's decision or proposed resolution, he/she may request that the Superintendent submit the matter to a neutral mediator or to an impartial hearing officer. This request for mediation or a hearing should be made within fifteen (15) school days of the Superintendent's decision. Mediation shall only occur by mutual agreement of the parties.

MANCHESTER PUBLIC SCHOOLS

NOTICE OF PARENT/STUDENT RIGHTS UNDER SECTION 504 OF THE REHABILITATION ACT OF 1973 AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) is a non-discrimination statute enacted by the United States Congress. Section 504 prohibits discrimination on the basis of disability by recipients of federal funds. Title II of the Americans with Disabilities Act (“ADA” or “Title II”) also prohibits discrimination on the basis of disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”) as an individual with a disability, an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

Under Section 504, the school district has specific responsibilities to identify, evaluate and provide an educational placement for students with a disability. The school district’s obligation includes providing such eligible students a free appropriate public education (“FAPE”). Section 504 defines FAPE as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees imposed on nondisabled students/parents).

A student is eligible for regular or special education and related services under Section 504 if it is determined that he/she has a mental or physical disability that substantially limits one or more major life activity such as (but not limited to): caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. A major life activity may also include the operation of a major bodily function, such as an individual’s immune, digestive, respiratory or circulatory systems.

A student can have a disability and be covered by Section 504/ADA even if he/she does not qualify for, or receive, special education services under the IDEA.

The purpose of this notice is to provide parents/guardians and students 18 years of age or older with information regarding their rights under Section 504. Under Section 504, you have the right:

1. To be informed of your rights under Section 504;
2. To have your child take part in and receive benefits from the Manchester School District’s education programs without discrimination based on his/her disability.

3. For your child to have equal opportunities to participate in academic, nonacademic and extracurricular activities in your school without discrimination based on his/her disability;
4. To be notified of decisions and the basis for decisions regarding the identification, evaluation, and educational placement of your child under Section 504;
5. If you suspect your child may have a disability, to request an evaluation, at no expense to you and to have an eligibility determination under Section 504 (and if eligible, placement decisions made) by a team of persons who are knowledgeable of your child, the assessment data, and any placement options;
6. If your child is eligible for services under Section 504, for your child to receive a free appropriate public education (FAPE). This includes the right to receive regular or special education and related services that are designed to meet the individual needs of your child as adequately as the needs of students without disabilities are met;
7. For your child to receive reasonable accommodations and services to allow your child an equal opportunity to participate in school, extra-curricular and school-related activities;
8. For your child to be educated with peers who do not have disabilities to the maximum extent appropriate;
9. To have your child educated in facilities and receive services comparable to those provided to non-disabled students;
10. To review all relevant records relating to decisions regarding your child's Section 504 identification, evaluation, and educational placement;
11. To examine or obtain copies of your child's educational records at a reasonable cost unless the fee would effectively deny you access to the records;
12. To request changes in the educational program of your child, to have your request and related information considered by the team, a decision made by the team, and if denied, an explanation for the team's decision/determination;
13. To request an impartial due process hearing if you disagree with the school district's decisions regarding your child's Section 504 identification, evaluation or educational placement. The costs for this hearing are borne by the local school district. You and the student have the right to take part in the hearing and to have an attorney represent you at your expense;
14. To file a local grievance/complaint with the district's designated Section 504/ADA Coordinator to resolve complaints of discrimination including, but not limited to, claims of discrimination directly related to the identification, evaluation or placement of your child; and

15. To file a formal complaint with the U.S. Department of Education, Office for Civil Rights.

II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability may submit a written complaint to the district's designated Section 504/ADA Coordinator within thirty (30) school days of the alleged occurrence. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If the complaint is made verbally, the individual taking the complaint will reduce it to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to the district's Section 504/ADA policies and regulations regarding students.
- B. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.
- C. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures.
- D. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.
- F. The complaint should contain the following information:
 - 1. The name of the complainant;
 - 2. The date of the complaint;
 - 3. The date(s) of the alleged discrimination;
 - 4. The names of any witnesses or individuals relevant the complaint;
 - 5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
 - 6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

- G. Upon receipt of the complaint, the individual investigating the complaint shall:
 - 1. Provide a copy of the written complaint to the Superintendent of Schools;

2. Meet with the complainant within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant believes have relevant information, and obtain any relevant documents the complainant may have;
 3. Provide the complainant with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
 4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
 5. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
 6. Communicate the outcome of the investigation in writing to the complainant, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify how the district will remedy any identified violations of Section 504/ADA;
 7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, complainant will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
 8. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination.
 9. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.
- H. If the complainant is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for the complainant to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this

information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the complainant, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant of his/her decision within ten (10) school days following the receipt of the written request for review.
