C&I Subcommittee Minutes
April 22, 2019

In attendance: Peter Conyers, Tracy Maio, Jason Scappaticci, Amy Radikas, Diane Sheehan-Burns, Pari Ghetia, Josh Steffenson, and Stefanie Sebastio-Kirby.

Items discussed:

Science Fair 2019 Update - Another successful K-12 Science Fair took place on Saturday, March 30th at MHS. Discussed opportunities for MHS STEM students to become more involved in the event. The CT Invention Convention is slated for Saturday, May 4th at the University of Connecticut. Manchester is sending 20 student to the state finals.

Biology Textbook / Earth Science Textbook Pilot - With the implementation of Next Generation Science Standards (NGSS) - looking for textbooks that would support changes in standards. Two textbooks from Houghton Mifflin/Harcourt (HMH) piloted - feedback being taken from multiple states. Static version (traditional book) will be purchased for Fall 2019. Purchase includes a six year license to updates and an interactive digital student version.

Early Development Inventory (EDI) - In January 2020, Manchester, with support from Hartford Foundation for Public Giving, was to implement the EDI to kindergarten students. The school readiness tool captures data within five areas: social competence, physical health and well-being, emotional maturity, language and cognitive, and communication skills.

Assessment data would be available in July 2020. Data could be used to support Manchester’s work with it’s newly formed PK/K Transition Team being guided by Diane Sheehan-Burns, Director of Teaching & Learning, Humanities.

On Wednesday, April 24th Diane received word from the CT State Department of Education stating the EDI must be given in addition to the state’s Kindergarten Entrance Inventory (KEI). District is currently in discussions regarding next steps - we do not want to over evaluate students or take additional learning time from them.

enVision Update - Moving to continue use of enVision mathematics materials through Grade 7 & 8. The extension of the materials will build consistency for general math classes K-8.

Meeting adjourned at 6:35 p.m.
Respectfully submitted,
Dr. Amy F. Radikas

Subject: Permission to apply for FY19-21 IDEA 611 Grant

Date: May 6, 2019

Background:
The Manchester Board of Education is applying for grant funding under the federal Individuals with Disabilities Education Improvement Act (IDEA) 611 grant for FY 2019-2021. This grant supports a wide range of special education services for students in the Manchester school district.

Discussion/Analysis:
Each year the Manchester Board of Education applies for grant funds from the Connecticut State Department of Education under IDEA 611 grant for use with special education students ages 3-21. The funding offsets the cost of special education teachers, occupational therapists, physical therapists, paraprofessionals, and tutors. It also enables the Board to purchase specialized reading and math programs, computer equipment, and other assistive technology devices. The IDEA 611 grant provides funding for student evaluations as well.

Financial Impact:
There is no financial impact to the town. This is a two year grant that provides funds from the U.S. Department of Education and the State of Connecticut.

Other Board/Commission Action:
None.

Recommendations:
The Superintendent recommends that the Board of Education give permission to apply for the FY19-21 Individuals with Disabilities Education Improvement Act (IDEA) 611 grant.
