The Chairman called for a motion.

Secretary Pattacini moved and Mr. Heinrich seconded the recommendation to adopt the Consent Calendar as outlined in this evening’s agenda.

9/0 - Voted in favor.
D. **STUDENT REPRESENTATIVE REPORT**
Leila Affini reported they are in their last week of school and despite being in a pandemic year many events have gone smoothly and there are many plans made for the summer.

The senior class celebrated the end of their high school careers with a senior picnic at High Meadows on May 21st and two graduation ceremonies held last Saturday, as well as a senior prom held on June 11th.

The Student Equity Advisory Team is still spreading awareness. They partnered with the World Language Club together to educate students and teachers about Asian Pacific Islander Month through videos and announcements. SEAT has put together a bulletin board in order to celebrate members from that community. They have also installed a Pride Month board that will be up until we come back in the fall. To close out the year, SEAT members were selling black excellence stickers in the cafe which ended up being very popular amongst staff and students.

This summer, students have been provided with opportunities to keep busy such as tutoring jobs, enrichment programs and leadership courses.

Alexandra Hamza reports rising seniors will have the opportunity to receive help on college essays via Workshops being offered through the school.

The Sports Season has been dying down and MHS had multiple All-Conference athletes on the golf, baseball, Tennis and track teams.

The MHS Chamber Orchestra has recorded multiple concert pieces for the community to enjoy. They can be found on the MHS Homepage.

Finally, the MHS Cello Ensemble is planning an evening of music in the park on July 7th at 7pm. This ensemble includes players of all grades and even past MHS students. Everyone is invited to attend.

F. Superintendent’s Report

F.1. Teachers of the Year

Mr. Geary announced the Teacher of the Year for each school as well as the district. Teachers are nominated for this honor by their colleagues which makes it even more meaningful. There is a district committee that meets to choose the district Teacher of the Year from among those who earned the title from each school.

Bennet - Hope Mulholland
Bentley - Carolyn Mather
Bowers - Stephanie Avery
Buckley - Siobhan Leonard
Highland Park - Linda Poland
Illing - Sarah Burdacki
Keeney - Catherine Kratz
Manchester High - Mathew Cieslowski
Manchester Middle Academy - Michael Gomez-Hixon
Manchester Preschool - Amber Carbone
Manchester Regional Academy - Brendan Ashe

Martin - Chrisstina (Nikki) Kupec - DISTRICT TOY
Verplanck - Carey St. Germain
Waddell Michelle Alexandrin

Mr. Geary notes any year is difficult for teachers, but this year was particularly hard. Teachers had to think outside the box, connect with families in different ways, and learn new technology. We would not have been able to provide the level of support and instruction to our students without such awesome staff. Mr. Geary also expressed appreciation to the teacher’s families for their sacrifices as well.

Ms. Stefanovicz stated that if this meeting were in person, we would give these teachers a standing ovation. She thanked them for their effort, their big hearts, how much they love the children, and for pushing through this crazy year and soaring! This is their life’s work and she appreciates them!
Mr. Pattacini congratulated and thanked the teachers for all their work over the last year plus. No one had ever experienced what we just went through and he appreciates all their effort working both in-person and remotely.

Mr. Thames thanked the teachers for what they brought to the table. They have had to change the way they interact with both students and parents while maintaining high expectations and nurturing our young people. Everyone learns differently and has different interests and teachers are the conduit to help students find their interests and passion.

F.2. Waddell School Improvement Plan
Mr. Geary introduced Aisha Florez, Principal of Waddell. Ms. Florez, along with a couple of staff and several Waddell students, presented their School Improvement Plan, which can be viewed on the website.

Mr. Pattacini thought the presentation was amazing and the students were great examples for Manchester Public Schools. He noted that clearly the pandemic did not slow down the Waddell staff as they helped students be successful.

Ms. Patterson loved that Waddell teachers make sure all students hear that every one of them is capable. She thanked the students for being so brave this evening.

Mr. Thames notes they clearly have fun at Waddell and the teachers enjoy the work. He was intrigued by the mindfulness topic and would like to attend a PD on the subject.

F.3. MPS Safe Return to In-Person Learning Plan
Mr. Geary read parts of a document required as part of the American Relief Act. He noted Mr. Daly would continue as the Covid liaison. The plan is required to address health and safety, continuity of services, take public input and be in an understandable format.

Mr. Geary touched on some points of the very long document, which will be available for viewing on the website. Handwashing will continue to be encouraged. Ventilation will continue to be addressed. Contact tracing will also
continue. Parents will continue to screen their children at home before sending them to school (for fever, loss of taste/smell, etc). Consideration will also be made to health equity.

Regarding remote learning next year, we are still monitoring interest and at this time about 80-90 families are interested. Full in-person learning will resume in September.

Part of the document was “a day in the life”, reflecting a student’s experience. This will look much more like pre-pandemic days, though there are some things that we found helpful that will stay.

We will continue to provide technology for students. Social distancing when able and masks will still be required. We may try to limit transitions in some buildings. Next year we expect to have full extra-curricular activities as well as visitors allowed back in buildings. We may hold more PPTs and conferences remotely as that proved to be an efficient way to schedule meetings and was helpful for many parents.

We will have more summer school guidance soon. The full document will be shared with the community for feedback soon.

G. UNFINISHED BUSINESS
None.

H. NEW BUSINESS

H.1. Approval of Keeney Education Specifications

Secretary Pattacini moved for the Board of Education to approve the plans and specifications for Additions and Renovations to the Keeney Elementary School date June 14, 2021, prepared by TSKP Studio, for submission to the Department of Administrative Services, Office of School Construction Grants for Review of Final Plans and Construction Authorization. Ms. Patterson seconded the motion.
DISCUSSION:
Ms. Stefanovicz questioned the last item which specified a 1:2 ratio for laptops to children. She wondered if we should update that since we are 1:1 at this time. Mr. Geary noted they went back and forth regarding technology. We do not purchase technology with bonded money, so really that is a placeholder. While the Board has been able to use grants and/or federal funds to purchase technology currently, there may be a point where the Board budget cannot support a 1:1 ratio and we would fall back to our previous 1:2 policy. There will no longer be charging stations in classrooms though, as students currently bring their devices home to charge.

The vote was called.

9/0 - Voted in favor.

H.2. Grant Application

Secretary Pattacini moved for the Manchester Board of Education to authorize the Superintendent to submit an SCG049 Grant Application and Summary of Educational Specifications for Keeney Elementary School to the State Department of Education for a construction grant in accordance with CGS §10-283 and Chapter 173 of the Connecticut General Statutes. Ms. Luna seconded the motion.

9/0 voted in favor.

I. PUBLIC COMMENTS (Limited to items on tonight’s agenda)
Mr. Tom Stringfellow, 183 Hillstown Road, (due to technical difficulties, some of this discussion was unable to be transcribed) suggested the book One Real American: The Life of Ely S. Parker, Seneca Sachem and Civil War. He also suggested the book National Geographic’s Old West by Stephen G. Hyslop. Mr. Stringfellow also noted this is the 100 year anniversary of the Tulsa massacre in 1921.

Mr. Geary read a Facebook comment by Sarah Summers asking when the Board of Education would resume in-person meetings. Mr. Thames noted he has also been asked that question and he will poll members to get their preference. He thinks it may be possible to have a hybrid, with some members in-person and others participating
remotely. Mr. Thames noted that everyone’s health situation is different and their comfort at meeting in person will vary. We will hope to have an answer to this question by the next meeting. Mr. Geary noted that remote participation rules from years past will be looked at as well.

Matthew Geary
Matthew Geary
Superintendent of Schools
Manchester, CT
June 28, 2021
Dear Head Start Grantee:

The Consolidated Appropriations Act, 2021, contains an increase of approximately $123 million for a cost-of-living adjustment (COLA) for all Head Start grantees, inclusive of all Early Head Start - Child Care Partnerships, with the exception of new awards made in fiscal year (FY) 2021. The COLA supports a 1.22 percent increase above FY 2020 funding levels to increase staff salaries and fringe benefits, and offset higher operating costs. The funds are effective with the start of the FY 2021 budget period and are retroactive if this period has already commenced.

The following table reflects the increase(s) available for FY 2021.

<table>
<thead>
<tr>
<th>Funding Type</th>
<th>Head Start</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cost-of-Living Adjustment (COLA)</td>
<td>$27,260</td>
</tr>
<tr>
<td>Total Funding</td>
<td>$27,260</td>
</tr>
</tbody>
</table>

Please note, allocations are subject to change if adjustments are made to annual funding levels.

Submission Requirements

Program Instruction ACF-PI-HS-21-01 informed grantees and delegate agencies of the intended uses of COLA funds and announced the opportunity for grantees to apply for the funds. Please review the Program Instruction carefully to ensure your supplemental application meets the requirements for funding and contains all of the necessary information.

The supplemental application is due April 15, 2021 and must be submitted in the Head Start Enterprise System (HSES). To apply, please select the Financials tab, Grant Application tab, Fiscal Year 2021, and add the ‘Supplement - COLA’ amendment type. No other application type for these funds will be accepted.

Content of ‘Supplement - COLA’ Application

Applications must include a narrative and detailed budget justification by program, Head Start and/or Early Head Start and demonstrate the following:
• An increase of no less than 1.22 percent of the current pay scale for Head Start/Early Head Start employees, including unfilled vacancies, subject to the provisions of Sections 653 and 640(j) of the Head Start Act;
• The rationale and documentation detailing agency policies and procedures if employees are receiving less than the 1.22 percent COLA or differential COLA increases;
• The provision of a no less than 1.22 percent increase to all delegate agencies and partners or justification if less than 1.22 percent or differential increases are provided to delegate agencies and partners;
• The planned uses for the balance of the COLA funds to offset higher operating costs.

**Non-Federal Match**
The budget and detailed budget justification must include each source of non-federal match, including estimated amount per source and the valuation methodology. Flexibilities continue for waiver requests of the non-federal match requirement through the public health emergency for the 2019 novel coronavirus. To request a waiver, enter $0 in Section C of the SF-424A of the application. No additional justification is required, and the issuance of a notice of award constitutes approval of the request.

**Supporting Documents**
Signed statements of the Governing Body and Policy Council Chairs along with Governing Body and Policy Council minutes documenting each group’s participation in the development and approval of the supplemental application must be provided. Through the public health emergency for the 2019 novel coronavirus, at a minimum a statement confirming the approval of Governing Body and Policy Council members available for contact will be accepted.

The application must be submitted on behalf of the Authorizing Official registered in the HSES. **Incomplete applications will not be processed.**

Please ensure the application contains all of the required information. If you have any questions or need assistance, please contact Wanda Carrasquillo, Head Start Program Specialist, at 617-565-1131 or wanda.carrasquillo@acf.hhs.gov or Laura Landry, Grants Management Specialist, at 617-565-2454 or laura.landry@acf.hhs.gov.

For technical assistance in preparing the application, please contact the HSES Help Desk at help@hsesinfo.org or 1-866-771-4737.

Subject: Item for Appropriation Carl D. Perkins Career and Technical Education Secondary Supplemental Enhancement Grant for FY 20-22

Date: June 28, 2021

Background:
The Manchester Public School district has demonstrated a record of excellence in career and technical education. The Carl D. Perkins Career and Technical Education Secondary Supplemental Enhancement Grant will improve and expand education and career guidance systems for Manchester’s youth. The grant is funded by the State of Connecticut.

Discussion/Analysis:
Funds will be expended between April 1, 2021 - August 31, 2021 to:
   1. Foster innovation through the identification and promotion of promising and proven career and technical education programs, practices, and strategies.
   2. Support specific developmental initiatives through funding for professional development, instructional programs, supplies and equipment for grades 9-12 in Career and Technical Education Program areas including manufacturing, business/finance, education and hospitality.

Financial Impact: None to the Board of Education

Other Board/Commission Action: None

Recommendations: The Superintendent recommends that the Board of Education request that the Board of Directors establish an appropriation for FY 20-22 Carl D. Perkins Career and Technical Education Secondary Supplemental Enhancement Grant in the amount of $49,961.

Mission of Manchester Public Schools
Equity

Equity is achieved when student outcomes are not predicated by gender, race, ethnicity, first language, sexual orientation, class, or special needs and where all students reach a level of efficacy and competence that supports a rewarding and productive life. This requires elimination of the inequities that contribute to disproportionate learning and achievement by students of certain social groups while ensuring students are prepared for a productive and meaningful life.

Connecticut Center for School Change
The following activities are critical as we **respond** to the pandemic:

- Center all decisions on equity and race and ensure appropriate time and space for regular reflection on race and equity throughout the year.
- Ensure parents, students, and staff continue to work as partners to support learning at various locations and provide any needed support or materials related to that learning to parents and families.
- Continue to adjust learning models as needed while supporting students and staff with necessary materials, technology, and human resources.
- Ensure physical and mental health needs of students and families are prioritized by providing necessary supports including food and nutrition, social work and counseling services, and family outreach.
- Monitor the health and wellness of MPS staff and support staff self care by providing resources and time.
- Support vaccine distribution in a manner determined by Connecticut Department of Public Health and local health department.
- Plan for potential spring / summer learning experiences designed to re-acclimate students to schools academically, socially, and emotionally.
Recover

The following activities will be critical as we **recover** from the pandemic:

- Continue to emphasize community building, healing, social emotional learning, improved mental and physical health, and time to pause and reflect regularly
- Implement technology to support learning but identify how that is happening (is it helping with access to information, organization and efficiency or is it transforming learning) and be realistic about our expectations
- Clearly indicate what is meant by mastery and identify how we will assess / know skills and concepts have been learned / mastered
- Clearly define what quality feedback will look like, how it is provided, and its purpose is to enhance learning not judge performance
- Determine what is essential to learn and what can be pared from learning experience using clear criteria which prepares students for the future without overwhelming them
- Collaborate with families to ensure students are able to access necessary in person academic and social / emotional programming as often as possible
- Continue efforts to ensure student identities, experiences, insights, and understandings are centered in all learning opportunities
The following activities will be critical as we **reimagine** schools coming out of the pandemic:

- Allow for flexibility of time and pacing as well as student voice, choice, and ownership, depending on student needs, learning styles, and interests to remove the limits of one-size-fits-all schooling
- Connect work across content areas - as often as possible wherever possible - and to learner’s lives, our community, or the world
- Ensure curricular experiences related to social justice and service learning are available to and expected of all learners
- Ensure students have an opportunity to reflect on their work in order to ensure deep understanding of what they have learned, their strengths, and areas for growth
- Ensure all learners - especially our youngest learners (K-2) and those still learning to read - have foundational skills in reading and writing and math (transitional classes/programs)
- Nurture curiosity, passion, and skills of students to be lifelong learners who feel ownership of their education
- Actively engage in conversations and actions necessary to move forward racial equity work of the district
- Expand how we as a district define, measure, report, and celebrate progress

Covid-19

Masks

• The State Department of Education announced that students and staff can take off their masks outside (recess, etc.) and effective Monday May 24, masks do not need to be worn outside.

• Where students are actively moving around during recess or physical education activities, masks can be removed. When students will be stationary or sitting together in large groups, they should still wear masks outside.
Covid-19

Masks

• Please note that Manchester Public Schools continues to focus on the safety and health of all our students and staff. We anticipate changes will occur over the next several months which will impact 2021-22 and will adjust our protocols accordingly.

• In the meantime, masks are still recommended indoors for anyone who is not fully vaccinated
Covid-19
