F. Superintendent’s Report

F.1. Close of School Update
Mr. Geary hopes that the fall will be closer to the pre-Covid view of what school looks like. Mr. Geary’s presentation is available for view on the website. He noted we are entering the Recovery portion of the timeline and he expects this to occur over the next 3 years. At the same time we are Reimagining how we operate schools in the future.

Mr. Geary reviewed that the district received $6.8 million in ESSER 2 funding and will be receiving $15.6 million in ESSER 3 funding, also called the American Recovery Act. Monies can be spent over the 21-22, 22-23 and 23-24 school years and possibly the summer of 2024 as well.

The robust summer program being held this summer (at no cost to families, but a cost of $1 million) includes 6 weeks of programming, Monday-Friday from 8:00 a.m. to 4:00 p.m. There are approximately 2000 students signed up with 1000 from elementary schools, 500 from the middle schools and 500 from MHS. The schools that will house the summer program include Verplanck, Bowers, Waddell, Bennet and MHS. There will be approximately 250 staff, including student employees. Mr. Geary anticipates running similar summer programs for the next several summers. He noted employees will receive 1.2x their normal rate to encourage participation.

Mr. Geary reviewed the projected items being supported by the American Recovery Act:
● 10-15 Tutors to support acceleration in elementary reading and secondary math ($300,000)
● Additional staff (23.0 FTE) to support smaller class sizes at the elementary level and expanded STEAM programming in grades 5-12 ($1,250,000)
● 15 Case Managers to support home visits and engagement efforts for students who are chronically absent ($600,000)
● Contracted Services for Mental Health Supports ($650,000)
● 6-8 Behavior Technicians to support student return to school ($400,000)
● Upgraded technology for students and staff ($1,000,000)
● Directors of Teaching and Learning - Humanities and STEAM - 5-12 to support curriculum development ($300,000)
● Health insurance for new staff employed with grant funds ($750,000)
● Some funds may be used to support air conditioning at MHS, depending on cost estimate

Some important notes about the American Recovery Act:
● The ESSER 2 Application is complete and the ESSER 3 application is in progress.
● Public comment was on the BOE agenda June 14.
● The plan was emailed to all of MPS for feedback on June 15.
● A parent focus group was held June 16.
● ECS funding to Manchester is scheduled to increase by approximately $1.5 million in each of the next 7 years.
● As federal funding fades out, costs that need to remain in place will be shifted to ECS - Alliance, which allows us to avoid a funding cliff.

Mr. Geary reviewed that the Buckley staff have vacated the building and movers are moving all items from Buckley to Robertson. Construction is already underway.

Manchester Middle Academy will move to Washington, and staff have packed their belongings. Minor improvements to Washington, including some painting and cleaning, will be done prior to the start of the school year.

The Ed Specs for Keeney were approved by the Board at the last meeting. The grant application will be submitted to the state for reimbursement prior to July 1st.
The cafeteria and library are being redesigned at Highland Park to create additional teaching spaces to facilitate smaller class sizes. Two additional teaching spaces will be created in the library and the library and cafeteria will be combined. Bennet will also have two classroom spaces in their library.

The gym floor and auditorium lobby at MHS will be redone.

The Welcome Center does not have enough space for the new attendance case managers. We are exploring leasing the former Webster Bank on Middle Turnpike.

Mr. Geary reviewed the vacancies in the district, including Principals at Bowers, Martin and Illing, an Assistant Principal at MHS, Chief Performance Officer and Pupil Services Supervisor for grades 5-12.

Regarding mask use, at this time the current rules, including requiring masks inside and allowing for no masks outside if students are moving around.

Mr. Geary noted that the onsite vaccine clinic held at Illing on June 7th for students ages 12-15 vaccinated about 100 students. MPS will continue to hold vaccine clinics as new age groups are eligible.

Ms. Luna asked what the process would be once the estimates on the cost of air conditioning at MHS are received. Mr. Geary stated that once they have a clue about the cost the Board will have to approve it. The goal would be to have that done by the Spring of 2022, before the heat hits. Ms. Luna was also encouraged by the number of volunteers from MHS.

Ms. Patterson asked about the upgrade to devices. Mr. Geary noted that grades 5-8 did not have their technology updated recently. Devices were sent home over the summer. Most Chromebooks have a 5 year shelf life so any that have less than 4 years use will be passed down to the elementary schools.

Regarding mask use, Ms. Patterson wondered if the same rules will apply to the Curiosity Camp as do during the school year. Mr. Geary stated the same rules apply, masks inside and no masks outside/for breaks.
Ms. Patterson next asked about tracking vaccination data. Mr. Geary noted the last case that was contact traced did ask students if they were vaccinated, and if they were no quarantine was ordered. Mr. Geary stated we will continue to contact trace and take each case individually.

Ms. Stefanovicz gave a shout out to the Buckley teachers for their flexibility and resilience in having to pack up their classrooms at the end of a very difficult year.

Mr. Thames asked about the future trend of the number of students at Highland Park. He wondered if this has changed over the years. Mr. Geary reviewed that when HPS was renovated the student population was projected to be 320 with class sizes about 24-25. That class size is no longer targeted in Manchester, with pre-Covid class sizes aimed closer to 18-22 and currently in the 15-18 range. Even pre-Covid at HPS, music and some art were taught on a cart. With the need for smaller class sizes currently and there being no other options at HPS, the cafeteria will give up some space to accommodate two additional classrooms. Mr. Geary noted that students eating lunch in their class seemed to work well and he anticipates continuing that practice.

Mr. Geary reviewed that Waddell and Verplanck can house about 500-525 students and the new renovations of Buckley, Keeney and Bowers will aim for 390-400 students.

G. UNFINISHED BUSINESS
None.

H. NEW BUSINESS

H.1. Superintendent’s Evaluation

Secretary Pattacini moved for the Board of Education to accept the written evaluation of the Superintendent of Schools for the 2020-21 school year. Ms. Luna seconded the motion.

DISCUSSION:
Mr. Thames read highlights of the Board’s letter regarding Mr. Geary’s exemplary performance for the 2020-2021 school year.

Mr. Pattacini added his personal thanks for the work Mr. Geary has done. He praised both Mr. Geary and the administration for managing the Covid-19 crisis, reinventing and readjusting curriculum, providing professional development and addressing student needs. On top of all this, the focus on race and equity continued to remain a priority, as it has for a number of years in Manchester.

Ms. Patterson had a front seat to MPS as a parent of two students. She has seen the challenges and shouts out to the teachers who stepped up and to Mr. Geary, for his leadership.

Mr. Thames felt that Mr. Geary did a great job not only navigating the big picture, but addressing all the small issues that arise with the same intent.

The vote was called.

9/0 - Voted in favor.

H.2. Superintendent’s Contract

Secretary Pattacini moved for the Manchester Board of Education to authorize the Board Chair to enter into a contract for July 1, 2021- June 30, 2024 with the Superintendent of Schools. Mr. Heinrich seconded the motion.

DISCUSSION:
Mr. Meggers clarified that while he will vote in the affirmative on this subject, he had an issue with the contract being for three years and not one. He is used to a one year contract. Mr. Meggers did state he feels that overall, Mr. Geary is a good community leader and in times like this we need strong leadership.

The vote was called.

9/0 voted in favor.
I. **PUBLIC COMMENTS** (Limited to items on tonight’s agenda)

**Mr. Geary** read some FaceBook comments. One asked if there was a way to address the wasted food from breakfast and lunch. Mr. Geary noted that this is tricky because between the rules about what kids “have” to take and what shelters will take as donations it is difficult. He will look into what we can do.

It was asked how the case managers will address attendance. Mr. Geary noted the list of chronically absent students will be shared with the case managers and they will do outreach in August to see how those families are doing and what they can do to help them overcome barriers for student attendance in school.

A question about the Family Resource Centers space was discussed and Mr. Geary affirmed that they will get their spaces back. Many of the FRC spaces were used as COVID isolation rooms, which will no longer be needed. Visitors will be allowed in schools this year and the FRCs will have their spaces back.

Ms. Sarah Somers, through FaceBook, asked when public visitors will be allowed back in the Lincoln Center. Mr. Geary stated that he will discuss the matter with the Town and in the meantime people are welcome to participate virtually.

• Approximately 10% less students in Grades K - 4 are meeting or exceeding the grade level target in reading in 2020-21 compared to 2019-20
• In grades K,1, and 2, the percentage of students meeting or exceeding the grade level target in reading in 20-21 is more than 15% less compared to 2019-20
• In grades K and 1, the percentage of students meeting or exceeding the grade level target in math fluency is similar to 2018-19
• Over 15% less students in Grades 3 - 4 are meeting or exceeding the grade level target in math fluency in 2020-21 compared to 2018-19
• Student performance on K - 8 district math unit assessments remains strong
• There is a minimal difference in performance between remote and in-person learners in reading and math
• Chronic absence rate is approximately 33%
Graduation rate remains just under 90% with very small gaps between bands
Percentage of students meeting or exceeding the state average on SAT Reading and Math were trending up but slipped during 2020-21
Class grades at MHS continue to show more students in the A range and more students in the F range along with a shrinking middle (B, C, D) compared with 2019-20
Student writing (narrative writing assessments included in full data packet) remains an area of concern
Under 3% of students received an In School Suspension
The following activities are critical as we respond to the pandemic:

● Center all decisions on equity and race and ensure appropriate time and space for regular reflection on race and equity throughout the year
● Ensure parents, students, and staff continue to work as partners to support learning at various locations and provide any needed support or materials related to that learning to parents and families
● Continue to adjust learning models as needed while supporting students and staff with necessary materials, technology, and human resources
● Ensure physical and mental health needs of students and families are prioritized by providing necessary supports including food and nutrition, social work and counseling services, and family outreach
● Monitor the health and wellness of MPS staff and support staff self care by providing resources and time
● Support vaccine distribution in a manner determined by Connecticut Department of Public Health and local health department
● Plan for potential spring / summer learning experiences designed to re-acclimate students to schools academically, socially, and emotionally
The following activities will be critical as we recover from the pandemic:

- Continue to emphasize community building, healing, social emotional learning, improved mental and physical health, and time to pause and reflect regularly
- Implement technology to support learning but identify how that is happening (is it helping with access to information, organization and efficiency or is it transforming learning) and be realistic about our expectations
- Clearly indicate what is meant by mastery and identify how we will assess / know skills & concepts have been learned / mastered
- Clearly define what quality feedback will look like, how it is provided, and its purpose is to enhance learning not judge performance
- Determine what is essential to learn and what can be pared from learning experience using clear criteria which prepares students for the future without overwhelming them
- Collaborate with families to ensure students are able to access necessary in person academic and social/emotional programming as often as possible
- Continue efforts to ensure student identities, experiences, insights, and understandings are centered in all learning opportunities
The following activities will be critical as we reimagine schools coming out of the pandemic:

- Allow for flexibility of time and pacing as well as student voice, choice, and ownership, depending on student needs, learning styles, and interests to remove the limits of one-size-fits-all schooling
- Connect work across content areas - as often as possible wherever possible - and to learner’s lives, our community, or the world
- Ensure curricular experiences related to social justice and service learning are available to and expected of all learners
- Ensure students have an opportunity to reflect on their work in order to ensure deep understanding of what they have learned, their strengths, and areas for growth
- Ensure all learners - especially our youngest learners (K-2) and those still learning to read - have foundational skills in reading and writing and math (transitional classes/programs)
- Nurture curiosity, passion, and skills of students to be lifelong learners who feel ownership of their education
- Actively engage in conversations and actions necessary to move forward racial equity work of the district
- Expand how we as a district define, measure, report, and celebrate progress
The district will receive approximately $6.8 million from ESSER 2 (second round of recovery aid) and approximately $15.6 million from ARP - ESSER 3 (third round of recovery aid).

Funds will support the following efforts for 21-22, 22-23, and 23-24:

- Robust Summer programming - no cost to families ($1,500,000)
- 6 weeks of programming
- 8 AM - 4 PM M - F
- Over 1800 students enrolled
- Assign additional staff (23.0 FTE) to support smaller class sizes at the elementary level and expanded STEAM programming at 5 - 12 ($1,250,000)
- Assign 10 - 15 Tutors to support acceleration - elementary reading and secondary math ($300,000)
- Upgrade Technology for Students and Staff ($1,000,000)
- Prioritize curriculum development in elementary and secondary schools under the leadership of Directors of Teaching and Learning - Humanities and STEAM PK - 4 and 5 - 12
• Hire and train 15 case managers to support home visits and engagement efforts for students who are chronically absent ($600,000)
• Relocate Welcome Center / new school engagement space to Middle Turnpike
• Finalize Contracted Services for Mental Health Supports ($650,000)
• Hire and assign 6 - 8 Behavior Technicians to support student return to school ($400,000)
● Continue to monitor advice coming from the CDC and CSDE regarding process for safe return to schools
● Review and revise existing processes as needed
● Communicate updates to Safe Return to In Person Learning Plan to school community as they arise

WORKING AGREEMENT
BETWEEN
THE MANCHESTER BOARD OF EDUCATION
AND
AFSCME COUNCIL 4, LOCAL 818-49

This Agreement is entered into by and between the Manchester Board of Education, hereinafter referred to as the “Board,” and AFSCME Council 4 Local 818-49, hereinafter referred to as the “Union.”

ARTICLE 1
RECOGNITION

Section 1.0 The Board, acting through its Superintendent of Schools, recognizes the Union as the sole and exclusive bargaining agent for the purpose of collective bargaining on matters of wages, hours of employment, working conditions, grievances, and other conditions of employment for all Buildings and Grounds Supervisors and the Maintenance Technician Supervisor employed by the Manchester Board of Education, as more fully described in the certification in Case No. ME-18,030, dated June 21, 1996.

Section 1.1 As used in this Agreement, the term “the Board” shall mean the Manchester Board of Education or its designee(s).

Section 1.2 As used in this Agreement, the term “Superintendent” shall mean the Superintendent of Schools or the Superintendent’s designee(s).

Section 1.3 Except as otherwise provided in this Agreement, the term “days” shall mean business days on which the Board’s Central Office is open.

ARTICLE 2
HOURS OF WORK

Section 2.0 The regular work day for employees in the bargaining unit is eight (8) hours per day, excluding a thirty-minute lunch period. The regular work week for employees in the bargaining unit is forty (40) hours per week. However, given the supervisory nature of the positions in this bargaining unit, the parties acknowledge that the professional responsibilities will sometimes extend beyond the regular work day and regular work week.

Section 2.1 Employees are subject to being called in for work outside of their normal work hours based upon emergency and other business necessity. Employees will not be required to remain at work for any minimum number of hours when they are called in and will be permitted to return home when their duties have been completed.
All Buildings and Grounds Supervisors will rotate subject-to-call service on a regular, weekly basis. Subject-to-call service is from Monday at 6:00 a.m. through the following Monday at 6:00 a.m. If a change in rotation is required, it is the responsibility of the employee to work out replacement with notification to the Director of Operations and Athletics. Employees must be within reach at all times and must respond to all calls received during their subject-to-call rotations. Failure to respond during a subject-to-call rotation will subject the employee to disciplinary action.

ARTICLE 3
WAGES

Section 3.0 Wage scales and job classifications shall be negotiated and made part of this Agreement. A complete list of job descriptions shall be furnished to the Union.

Section 3.1 The Board agrees to cover the employees under the provisions of the Workers’ Compensation Laws of Connecticut. Employee will not suffer loss of income if injured or absent because of job-related injury while they are receiving Workers’ Compensation for up to nine (9) months from the date of the injury. They will continue to receive their regular payroll checks, and in the event that compensation checks are sent directly to them, these checks will be signed over to the Board of Education.

Section 3.2 Employees shall receive longevity payments in recognition of their length of service on the following basis. Prior service as a regular, full-time Board of Education employee shall be included.

Longevity service increments will be paid as a lump sum on the payroll following employee’s anniversary of hire. Employees hired on or after July 1, 2011, will not be eligible for longevity payments.

Section 3.3 All employees shall be paid by direct deposit.

ARTICLE 4
SENIORITY, PROBATION, PROMOTIONS, TRANSFERS

Section 4.0 Seniority shall commence upon the date that the employee begins as a full-time paid employee of this bargaining unit. The employee’s earned seniority shall not be lost.
because of absence due to illness, pregnancy, maternity leave, bereavement, jury duty, personal leave, or other authorized leave, or while eligible for recall. Seniority and seniority rights will not be accrued during unpaid leaves of absence or layoff, but such rights will not be lost by the employee because of such leave or, if recalled, because of such layoff.

Section 4.1 An employee’s seniority and his employment shall terminate upon any of the following:

1. Resignation
2. Discharge for Just Cause
3. Retirement
4. Death
5. Expiration of Recall Rights

Section 4.2 Seniority will be used to determine vacation preference and layoffs in the event of a reduction in force. An employee whose position has been abolished may assume the position of a less senior employee provided he/she is qualified to perform the duties of that position.

Section 4.3 Probationary Period: Employees shall be considered probationary during their first ninety (90) calendar days of employment, provided the employee works at least sixty (60) days within said probationary period. Otherwise a new probationary period shall commence. During such probationary period, the employee shall not attain seniority rights under this Agreement, and such probationary employee will be subject to discharge by the Board, in its discretion, without access to the Grievance Procedure. At the successful completion of the probationary period, seniority shall be retroactive to the commencement of employment.

For internal candidates, the appointment will be made to the applicant determined by the Superintendent or his/her designee to be best qualified on an overall basis to perform the job. If the internal candidates have relatively equal qualifications, seniority shall govern.

At least one months’ written notice of intention to take unpaid child rearing leave must be given to the Superintendent or designee. Maternity/child rearing leave cannot exceed 12 (twelve) weeks. NOTE: Accrued paid vacation time may be credited towards the 90 days.

Section 5.10 Accumulated sick time of employees will be listed on the employee’s pay check.

Section 5.11 Sick Leave Bank

The Sick Bank Committee may grant up to thirty (30) days from the Emergency Sick Bank.

The Committee has the right to require a second physician’s opinion.

The Superintendent shall give notice to the Union of the intention to make a change, simultaneous to his/her receipt of notice from the Town of Manchester but in no event shall the notice be less than 15 days.

If the Union disapproves of any change pursuant to the written statement noted above, it may submit the issue to arbitration within fifteen (15) calendar days of receipt of notice from the Superintendent that the Board intends to implement the new plan. Arbitration in accordance with the rules of the American Arbitration Association will be the exclusive method for deciding the above issue.

Section 14.1 The purpose of this procedure is to provide an orderly method for adjusting grievances. Grievances arising out of matters covered by this Agreement and disputes and consultations on any questions arising out of employer-employee relationships will be processed in the following manner:

Step 1 – The aggrieved employee and/or his/her Union Steward shall take up the grievance or dispute with the employee’s immediate superior. If the grievance is presented in writing at Step 1, the response shall be written.
Step 2 – If the matter has not been settled, it may be presented in writing (such presentation must be made within fifteen (15) days of receipt of the Step 1 response) by the Steward and/or the President of the Union to the Superintendent. The Superintendent shall, within ten (10) days from the date the matter is submitted to him/her, arrange a meeting with all those concerned to review the facts, and notify the employee, the President of the Union, and AFSCME Council 4 of his decision in writing, within ten (10) days after the date of the meeting.

Step 3 – If the matter is still unsettled, the parties may present the grievance in writing (such presentation must be made within fifteen (15) days of receipt of the Step 2 response) to the Board of Education. Each party reserves the right, however, to waive this step of the grievance procedure and proceed to Arbitration. The Board of Education or designated committee of the Board of Education shall review the grievance within thirty (30) days after its submission to the Board, and shall afford the parties an opportunity to present their positions on the grievance. The Board of Education or its designated committee, as the case may be, shall issue a decision concerning the grievance in writing within ten (10) days after the date it was presented to the Board of Education.

Arbitration

1. If the union is not satisfied with the decision of the Board at Step 3 and the union wishes to proceed to arbitration, a written notice of the union’s intention to submit the grievance to arbitration must be submitted to the Superintendent within twenty (20) days after the Step Three decision has been rendered.

2. The Board shall have the option to select either the Connecticut State Board of Mediation and Arbitration or the American Arbitration Association to hear the grievance. If the Board wishes to select the American Arbitration Association to hear the grievance, it shall so notify the Union, in writing, within ten (10) days of receipt of the Union’s written notice of intent to proceed to arbitration. In the event that the Board does not so notify the Union within such time period, the Board shall thereby waive its right to select the American Arbitration Association to hear the grievance. Not later than ten (10) days after receipt of notice from the Board designating its selection of an arbitration agency, or, in the event no such notice is received, within ten (10) days after the period for providing such notice has expired, the Union shall file for arbitration with the appropriate arbitration agency, with a copy to the Superintendent of Schools or his/her designee.

3. The parties shall share the SBMA arbitration filing fee equally. In the event that a grievance is processed to arbitration through the American Arbitration Association, the Board shall pay the filing fees and the arbitrator’s per diem fees.
4. Arbitration proceedings shall be conducted in accordance with the rules of the American Arbitration Association or State Board Mediation and Arbitration, as applicable. The arbitrator shall have no authority to add to, delete from or otherwise modify any portion of this Agreement. The decision of the Arbitrator(s) shall be final, except as otherwise provided by law.

Section 14.2 Failure of the employee, the Board or the Union to insist upon compliance with any provision of this Agreement at any given time or times under any given set or sets of circumstance shall not operate to waive or modify such provision, or in any manner whatsoever to render it unenforceable, as to any other time or times or as to any other occurrence or occurrences, whether the circumstances are, or are not, the same.

Section 14.3 No grievance may be filed more than twenty (20) days after the employee knew or should have known of the event giving rise to the grievance.

Section 15.2

A. Board may require evidence that medical attention was obtained by employees who are absent for five (5) or more consecutive work days or who exhibit a pattern of habitual absenteeism. Employees should be prepared to present such medical documentation. The Board of Education may require an employee to undergo a physical examination at Board expense.

B. The Board of Education will require newly hired employees to undergo a physical examination prior to or at a time of initial employment.

Section 15.3 There shall be no alteration, variation or amendment of the terms and conditions of this Agreement, unless made and agreed to in writing by both parties. Any agreement must be approved by the Union membership and the Board of Education in order to become effective.

Section 15.4 If there is any previously adopted policy, rule, or regulation of the Board which is in conflict with any provision of the Agreement, said Agreement provision shall prevail during the term of this Agreement.
Section 15.5 The Union’s business representative shall be permitted to visit specific job sites where bargaining unit members are employed. Notice is first given to the Superintendent or his/her designee, and such visits are to be at normal business hours and not interfere with the operation of the department.

Section 15.6 Any employee who is required by law or the Board to attend any training or conferences shall be reimbursed for enrollment fees, meals (where applicable), travel, and lodging (where applicable) in accordance with current Board policy.

Section 15.7 Credit Union payroll deductions shall be made for those employees who desire to be members of an available Credit Union.

Section 15.8 At least one (1) bulletin board or space on a bulletin board shall be placed, in an accessible place for the use of the Union for the posting of official Union notices or announcements.

Section 15.9 The Board will provide each employee with a copy of this Agreement within thirty (30) days after the date of the signing of this Agreement. New employees will be provided with a copy of this Agreement at the time of hire.

Section 15.10 All members of this bargaining unit who supervise one or more employees shall be provided with training concerning supervisory responsibilities and human rights and opportunities law.

Section 15.11 Any complaint made against a supervisor or person from whom he is administratively responsible for, shall promptly be called to the attention of the supervisor. No unsubstantiated complaint shall be placed in the employee’s file. Employees shall be given copies of any complaint.

Section 15.12 Bargaining unit work should be performed by members of the unit.

Section 15.13 Evaluations: Employees of the bargaining unit shall be subject to annual evaluations.

Section 15.14 Vehicle Usage:

A. The Union acknowledges the Board’s right to require Buildings and Grounds Supervisors to drive Board vehicles to and from work, based on their roles as emergency responders. The Board’s provision of such vehicles shall be subject to all applicable IRS rules, including compliance with the applicable IRS rules regarding imputed income to such employees. In accordance with IRS rules, such vehicles shall not be used for personal use.
B. Any employee who is required to use his/her personal automobile (excluding the employee’s commute to and from work) will be reimbursed at the applicable IRS rate.

Selection of a Primary Care Provider - your plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit www.mycigna.com or contact customer service at the phone number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

Direct Access to Obstetricians and Gynecologists - You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit www.mycigna.com or contact customer service at the phone number listed on the back of your ID card.

### Maximum Reimbursable Charge

The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage of a fee schedule (300%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. In some cases, the Medicare-based fee schedule will not be used and the maximum reimbursable charge for covered services is based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a Contract Year deductible and maximum reimbursable charge limitations.

### Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level if services are received from a non-participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or if no amount is agreed to, the greater of the following: (i) the median amount negotiated with In-Network providers for the Emergency Service, excluding any In-Network copay or coinsurance; (ii) the Maximum Reimbursable Charge; or (iii) the amount payable under the Medicare program, not to exceed the provider's billed charges.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is also responsible for all charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

### Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay as the Secondary plan to Medicare Part A and B as follows:

(a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent, or an Employee's Domestic Partner who is also eligible for Medicare and whose insurance is continued for any reason as provided in this plan (including COBRA continuation);

(b) an Employee, a former Employee, an Employee’s Dependent, or former Employee’s Dependent, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.

### Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

Definitions

Coinsurance - After you've reached your deductible, you and your plan share some of your medical costs. The portion of covered expenses you are responsible for is called Coinsurance.

Copay - A flat fee you pay for certain covered services such as doctor's visits or prescriptions.

Deductible - A flat dollar amount you must pay out of your own pocket before your plan begins to pay for covered services.

Out-of-Pocket Maximum - Specific limits for the total amount you will pay out of your own pocket before your plan coinsurance percentage no longer applies. Once you meet these maximums, your plan then pays 100 percent of the "Maximum Reimbursable Charges" or negotiated fees for covered services.

Place of Service - Your plan pays based on where you receive services. For example, for hospital stays, your coverage is paid at the inpatient level.

Prescription Drug List - The list of prescription brand and generic drugs covered by your pharmacy plan.

Professional Services - Services performed by Surgeons, Assistant Surgeons, Hospital Based Physicians, Radiologists, Pathologists and Anesthesiologists

Transition of Care - Provides in-network health coverage to new customers when the customer's doctor is not part of the Cigna network and there are approved clinical reasons why the customer should continue to see the same doctor.

Exclusions

What's Not Covered (not all-inclusive):

Your plan provides for most medically necessary services. The complete list of exclusions is provided in your Certificate or Summary Plan Description. To the extent there may be differences, the terms of the Certificate or Summary Plan Description control. Examples of things your plan does not cover, unless required by law or covered under the pharmacy benefit, include (but aren't limited to):

- Care for health conditions that are required by state or local law to be treated in a public facility.
- Care required by state or federal law to be supplied by a public school system or school district.
- Care for military service disabilities treatable through governmental services if you are legally entitled to such treatment and facilities are reasonably available.
- Treatment of an Injury or Sickness which is due to war, declared, or undeclared.
- Charges which you are not obligated to pay or for which you are not billed or for which you would not have been billed except that they were covered under this plan. For example, if Cigna determines that a provider or Pharmacy is or has waived, reduced, or forgiven any portion of its charges and/or any portion of Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for a Covered Expense (as shown on The Schedule) without Cigna's express consent, then Cigna in its sole discretion shall have the right to deny the payment of benefits in connection with the Covered Expense, or reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the provider or Pharmacy represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by Cigna. This exclusion includes, but is not limited to, charges of a non-Participating Provider who has agreed to charge you or charged you at an In-Network benefits level or some other benefits level not otherwise applicable to the services received.
- Charges arising out of or relating to any violation of a healthcare-related state or federal law or which themselves are a violation of a healthcare-related state or federal law.
- Assistance in the activities of daily living, including but not limited to eating, bathing, dressing or other Custodial Services or self-care activities, homemaker services and services primarily for rest, domiciliary or convalescent care.
- For or in connection with experimental, investigational or unproven services.
- Experimental, investigational and unproven services are medical, surgical, diagnostic, psychiatric, substance use disorder or other health care technologies, supplies, treatments, procedures, drug or Biologic therapies or devices that are determined by the utilization review Physician to be:
  - Not approved by the U.S. Food and Drug Administration (FDA) or other appropriate regulatory agency to be lawfully marketed;
  - Not demonstrated, through existing peer-reviewed, evidence-based, scientific literature to be safe and effective for treating or diagnosing the condition or Sickness for which its use is proposed;
Exclusions

- The subject of review or approval by an Institutional Review Board for the proposed use except as provided in the "Clinical Trials" sections of this plan; or
- The subject of an ongoing phase I, II or III clinical trial, except for routine patient care costs related to qualified clinical trials as provided in the "Clinical Trials" sections of this plan.

- In determining whether any such technologies, supplies, treatments, drug or Biologic therapies or devices are experimental, investigational and/or unproven, the utilization review Physician may rely on the clinical coverage policies maintained by Cigna or the Review Organization. Clinical coverage policies may incorporate, without limitation and as applicable, criteria relating to U.S. Food and Drug Administration-approved labeling, the standard medical reference compendia and peer-reviewed, evidence-based scientific literature or guidelines.
- Cosmetic surgery and therapies. Cosmetic surgery or therapy is defined as surgery or therapy performed to improve or alter appearance or self-esteem.
- The following services are excluded from coverage regardless of clinical indications: abdominoplasty; panniculectomy; rhinoplasty; acupressure; craniosacral/cranial therapy; dance therapy; movement therapy; applied kinesiology; rolfing; prolotherapy; and extracorporeal shock wave lithotripsy (ESWL) for musculoskeletal and orthopedic conditions.

Additionally, charges made by a Physician for any of the following Surgical Procedures are covered: excision of unerupted impacted wisdom tooth, including removal of alveolar bone and sectioning of tooth; removal of residual root (when performed by a Dentist other than the one who extracted the tooth).
- For medical and surgical services intended primarily for the treatment or control of obesity. However, treatment of clinically severe obesity, as defined by the body mass index (BMI) classifications of the National Heart, Lung and Blood Institute guideline is covered if the services are demonstrated, through peer-reviewed medical literature and scientifically based guidelines, to be safe and effective for the specific condition.
- Unless otherwise covered in this plan, for reports, evaluations, physical examinations, or hospitalization not required for health reasons including, but not limited to, employment, insurance or government licenses, and court-ordered, forensic or custodial evaluations.
- Court-ordered treatment or hospitalization, unless such treatment is prescribed by a Physician and listed as covered in this plan.
- Any medications, drugs, services or supplies for the treatment of male or female sexual dysfunction such as, but not limited to, treatment of erectile dysfunction (including penile implants), anorgasmia, and premature ejaculation.
