Town of Manchester  
Board of Education

To: The Manchester Board of Education  
From: Mr. Matthew Geary, Superintendent of Schools  
Subject: Item for Appropriation – IDEA 611 Grant FY 2018-2020  
Date: August 2, 2018

Background:
The Manchester Board of Education was awarded grant funding under the federal Individuals with Disabilities Education Improvement Act (IDEA) 611 grant for FY 2018-2020. This grant supports a wide range of special education services for students in the Manchester school district.

Discussion/Analysis:
Each year the Manchester Board of Education applies for grant funds from the Connecticut State Department of Education under IDEA 611 grant for use with special education students ages 3-21. The funding offsets the cost of special education teachers, occupational therapists, physical therapists, paraprofessionals, and tutors. It also enables the Board to purchase specialized reading and math programs, computer equipment, and other assistive technology devices. The IDEA 611 grant provides funding for student evaluations as well.

Financial Impact:
There is no financial impact to the town. This is a two year grant that provides funds from the U.S. Department of Education and the State of Connecticut. The total grant award for FY 2018-2020 is for the amount of $1,730,235.

Other Board/Commission Action:
None.

Recommendations:
The Superintendent recommends that the Board of Education request the Board of Directors establish the appropriation for the grant award amount $1,730,235, under the Individuals with Disabilities Education Improvement Act (IDEA) 611 grant for FY 2018-2020.

Town of Manchester
Board of Education

To: The Manchester Board of Education
From: Mr. Matthew Geary, Superintendent of Schools
Subject: Item for Appropriation – IDEA 619 Grant FY 2018-2020
Date: August 2, 2018

Background:
The Manchester Board of Education was awarded grant funding under the federal Individuals with Disabilities Education Improvement Act (IDEA) 619 grant for FY 2018-2020. This grant supports a wide range of special education services for students in the Manchester school district.

Discussion/Analysis:
Each year the Manchester Board of Education applies for grant funds from the Connecticut State Department of Education under IDEA 619 grant for use with special education students ages 3-5. This funding offsets the cost of a special education preschool teacher and is used in conjunction with our larger IDEA 611 grant.

Financial Impact:
There is no financial impact to the town. This is a two year grant that provides funds from the U.S. Department of Education and the State of Connecticut. The total grant award for FY 2018-2020 is for the amount of $62,049.

Other Board/Commission Action:
None.

Recommendations:
The Superintendent recommends that the Board of Education request the Board of Directors establish an appropriation for the grant award amount of $62,049 under the Individuals with Disabilities Education Improvement Act (IDEA) 619 grant for FY 2018-2020.

To: Manchester Board of Education  
From: Matthew Geary, Superintendent of Schools  
Subject: Permission to apply Priority School District Grant FY18/19  
Date: August 17, 2018  

Background: Per Connecticut General Statutes Sec. 10-266p, the State Board of Education administers a priority school district grant program to assist designated school districts in improving student achievement and enhancing opportunities, including early reading intervention programs. Grant awards are authorized after proposals have been submitted by eligible school districts and approved through the Commissioner.

Discussion/Analysis: Priority School District funding may be used to focus on the following initiatives: (1) the creation or expansion of programs or activities related to dropout prevention; (2) alternative and transitional programs for students having difficulty succeeding in traditional education programs; (3) academic enrichment, tutorial and recreation programs or activities in school buildings during non-school hours and during the summer; (4) development or expansion of extended-day kindergarten programs, (5) development or expansion of early reading intervention programs including summer and after-school programs; (6) enhancement of the use of technology to support instruction or to improve parent-teacher communication; (7) initiatives to strengthen parent involvement in the education of children and parent; and other community involvement in school and school district programs; or (8) for purposes of obtaining accreditation for elementary and middle schools from the New England Association of Schools and Colleges. At least 20% of each grant shall be used for early reading intervention programs.

Financial Impact: None

Other Board/Commission Action: None

Subject: Permission to apply Alliance District Grant FY18/19

Date: August 17, 2018

Background: The Alliance District program is a unique and targeted investment in Connecticut’s 33 lowest-performing districts. Connecticut General Statute Section 10-262u establishes a process for identifying Alliance Districts and allocating increased Education Cost Sharing (ECS) funding to support district strategies to dramatically increased student outcomes and close achievement gaps by pursuing bold and innovative reforms.

Discussion/Analysis: Alliance District’s receipt of designated ECS funding is conditioned upon district submission and Commissioner of Education’s approval of a plan, district progress and performance relative to that plan, and subsequent plans on an annual basis and approved plans aligned to the goals of the program. Annual plan approval is predicated upon district implementation and performance during the prior year.
