The Chair and the Secretary shall take office immediately upon election. All officers of the Board shall hold office for a term of one year and until their successors are duly elected.

When a bylaw is placed on the agenda for the second consecutive meeting, a motion either to adopt or not to adopt the policy or the proposed bylaw changes is necessary for discussion. If the discussion results in a suggestion for change, such changes will be included in the second reading of the bylaw prior to adoption.

ARTICLE IV

Standards of Ethical Conduct For Members of the Board of Education

Section 1 - Purpose.

The proper operation of the Board of Education and the school system of the Town of Manchester requires that Members of the Board of Education be independent, impartial and responsible to the people; that decisions and policy be made by the Board of Education through proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its elected leaders. In recognition of those goals, these Standards of Ethical Conduct are established with the purpose of setting forth guidelines, standards and limitations for conduct of Members of the Board of Education that are consistent with the best interests of the Town of Manchester and its school system.

Section 3- Conflicts of Interest

Conflicts of Interest are not, in and of themselves, a sign of unethical or improper conduct. They are an innocent consequence of the fact that, outside of their service to the Town, Members of the Board of Education possess a wide array of professional pursuits, financial interests and personal relationships. However, it is expected that Members of the Board of Education will be acutely sensitive to the existence of possible Conflicts of Interest and, when a possible Conflict of Interest arises, that they will conduct themselves in a manner that will eliminate any question as to the integrity and impartiality of the Manchester Board of Education.

Members of the Board of Education that are deemed to have a Conflict of Interest shall be subject to and abide by the following standards of conduct:

a) Any Member of the Board of Education having a Conflict of Interest with respect to any matter to be acted upon or coming before the Board of Education shall make a full disclosure of that interest and shall consider whether the Conflict of Interest rises to the level that the Member feels that he or she cannot render an objective and impartial decision and therefore shall disqualify himself or herself from participating in any deliberation and decision making with respect to that matter.
b) A Member of the Board of Education with a Conflict of Interest shall not directly participate in the delivery of any Board of Education service, nor attempt to influence anyone concerning the delivery of services, to that particular person or Business that gives rise to the Conflict of Interest.

d) No Member of the Board of Education shall appear on behalf of a private concern or otherwise represent a private concern (other than himself or herself or except as a witness under subpoena) in any state or federal litigation or administrative proceeding to which the Board of Education is a party, where such representation would be against the interest of the Board of Education.

Section 4- Preferential Treatment Prohibited.

No Member of the Board of Education shall seek for himself, or grant to any other person, any special consideration, treatment or advantage beyond that which is available to every other citizen of the Town.

Section 5- Soliciting or Accepting Inducements Prohibited.

No Member of the Board of Education, or candidate for nomination or election to the Board of Education, shall solicit or accept anything of value from any person based upon an understanding that any specific vote or official action will be influenced thereby.

Section 6 - Gifts.

Members of the Board of Education and Close Relatives shall not accept any gift from any person or business that has business dealings with the Board of Education, or has an interest in any matter that is pending or to be presented before the Board of Education. If it is impossible or inappropriate to refuse an unsolicited gift or offering, the gift shall be accepted on behalf of the Board of Education, shall be delivered to the Superintendent of Schools and shall become and remain the property of the Board of Education.

Section 7 - Incompatible Employment.

While engaged in the performance of their official duties, Members of the Board of Education owe a duty of undivided loyalty to the interests of the Board of Education and the Manchester school system. Therefore, no Member of the Board of Education shall engage in or accept private employment or render services for a Person or Business when he knows or has reason to know that such employment or service could impair his or her independence of judgment in the performance of his or her official duties, or possibly require him to disclose confidential information acquired by him in the course of his or her official duties, or possibly require him to take any other action which might be antagonistic to the interests of the Board of Education and the Manchester school system.
Section 8- Doing Business with the Board of Education.

Section 9 - Disclosure or Use of Confidential Information.

Members of the Board of Education shall not disclose or otherwise disseminate any confidential information or divulge personal matters pertaining to others that do not bear upon the discharge of official duties.

Whether or not it shall involve disclosure, no Member of the Board of Education shall use or permit the use of confidential information to advance his or her own financial or personal interests or to advance or damage the financial or personal interests of any other business or individual.

Section 10 - Use of Town or Board of Education Property, Assets and Resources.

Town-owned or Board of Education-owned equipment, supplies, property, labor and resources shall be used only for the conduct of approved Town business. No Member of the Board of Education shall knowingly use or permit the use by others of Town property or Board of Education property for personal convenience or personal profit. However, Members of the Board of Education may use Town property or Board of Education property, assets and resources to the extent they are made available to the public generally or to the extent that such use is consistent with established policies and procedures governing the use of Town owned or Board of Education-owned vehicles or communication devices.

Section 11 - Former Members of the Board of Education.

A person who has served at any time as a Member of the Board of Education shall not appear before the Board of Education on behalf of any person or Business (other than himself or a Close Relative) until at least twenty-four (24) months have passed from the termination of his or her elected service on the Board. Nothing in this restriction shall be construed to inhibit a former Board Member's right to publicly express his or her personal views upon an issue before the Board of Education or advocate on his or her own behalf for a particular decision on a matter before the Board of Education.

A person who has served at any time as a member of the Board of Education shall not privately lobby on behalf of any person or in any way attempt to influence the judgment or decision of any Member of the Board of Education on behalf of any person or Business (other than himself or a Close Relative) until at least twenty-four (24) months have passed from the termination of his or her elected service on the Board. Nothing in this restriction shall be construed to inhibit a former Board Member's right to publicly express his or her personal views upon an issue before the Board of Education or advocate on his or her own behalf for a particular decision on a matter before the Board of Education.

A person who has served at any time as a Member of the Board of Education shall not represent
anyone other than the Board of Education concerning any particular matter in which he or she participated personally and substantially while serving as a Member of the Board of Education.

A person who has served at any time as a Member of the Board of Education shall not disclose or use confidential information acquired in the course of any by reason of his or her official duties, for the financial gain for himself or herself or others.

**Section 12 - Censure**

The Board of Education may, by Resolution of Censure, express its sense that the conduct of one or more of its Members has not conformed to these Standards of Ethical Conduct.

Upon a written request to the Chairman containing the full text of the Proposed Resolution of Censure and no less than seven (7) signatures of the Members of the Board, the Board shall consider such Resolution of Censure. All Members of the Board, including any Member who is the subject of the Resolution of Censure, may be heard on the question. Passage of the Resolution of Censure shall require a unanimous vote of all members present and eligible to vote. Any Member who is the subject of a Resolution of Censure shall not be permitted to vote on the question.

A Resolution of Censure shall not be in order, and shall not be considered under any circumstances, while a hearing, investigation, prosecution, or any other proceeding arising from the same conduct is pending before the Ethics Commission of the Town of Manchester or before any other agency, commission, department or court with jurisdiction over said conduct.

**Section 13 - Use of the Board of Education-Issued Devices**

In order to avoid unnecessary copying and printing, to reduce the district's printing and copying costs, and to make information readily available electronically for all Board members, the Manchester Board of Education ("Board"), are issued devices. While the use of the devices promises to increase efficiency, reduce costs and help in preserving the environment, Board members have an obligation to comply with the Freedom of Information Act (the "FOIA"), Conn. Gen. Stat. §§ 1-200 through 1-241, which represents Connecticut's commitment to open government and a strong policy in favor of public access to meetings and records.

The following guidelines govern the use of the Board of Education-issued devices by Board members:

1. The devices are the property of the Manchester Board of Education. Accordingly, the devices may only be used for Board-related business. Board members should not have any expectation of personal privacy with regard to the use of the devices. Personal and/or private use of the devices is prohibited. The devices are to be used only by Board members, and not by any other persons. Board members may not download and/or utilize any applications, software or any program onto the devices for personal and/or private use.

3. The devices should not be used for the transmission and/or storage of confidential or privileged materials (including, but not limited to, materials that will be discussed in executive session).

4. Personal and/or private e-mail accounts are not to be loaded onto or accessed through the devices. Any and all emails sent by way of an device must be sent through the Manchester Board of Education email system. In addition, Board members should not use private email accounts to conduct public business, whether through use of the device or otherwise.

5. Any type of interactive communications or series of communications (including in person communications, telephonic communications and electronic communications of any sort) relating to school district business and involving a quorum of the Board or a committee of the Board will likely be deemed to constitute a "meeting" under the FOIA. Such communications violate the provisions of the FOIA for several reasons, including the failure to post notice of the meeting and the failure to allow access to the meeting by members of the public. Accordingly, Board members must take care to ensure that their interactive communications, via device or otherwise, do not constitute a meeting under the FOIA.

6. Board members are prohibited from sending or receiving electronic messages through the device or otherwise during Board meetings and committee meetings.

7. Board members must take care to safeguard the devices. Board members may be held financially responsible for the loss of or damage to an device.

B. COMMITTEE REPORTS

B.1. Policy Committee

Mr. Thames reviewed the last Personnel & Finance Committee meeting took place September 28 with Mr. Hughes, Mr. Thames, Ms. Patterson, Mr. Geary and Ms. Clancy in attendance.

The committee reviewed the status of the 2020-2021 budget. The budget is on target and stable and will continue to be monitored and tracked carefully. The district is the recipient of $1.5M in Elementary & Secondary School Emergency Relief Funds and $860K in Coronavirus Relief Funds to support unanticipated expenditures related to the pandemic.

Ms. Clancy provided committee members with a listing of COVID-19 related expenditures since 7/1/2020 totaling $1.1M. These expenditures include over $600K in PPE such as hand sanitizer, plexiglass, masks, signage, tents, desk shields, air purifiers, disinfectant sprays, microfiber wipes, and vinyl gloves. Other expenditures are student hotspots, software licenses for student access to online programs, online book licenses, webcams and digital textbooks. These expenditures will be shifted to the Relief grants described above.

Manchester has been notified of a grant available to Alliance districts for the purpose of General Improvements to School Buildings. We are in the process of compiling a list of eligible projects, focusing on Manchester High School, that will
be included in the application. Manchester could receive up to $1,080,000 from this grant.

The 2021-2022 Budget Development Calendar was distributed and reviewed with the committee. The budget process will start with a Pre-Budget Workshop that is scheduled for November 18th. It is important to note that this will likely be one of the most challenging budget years to date due to many unknowns.

Ms. Clancy updated members on transportation. With the hybrid model in place, transportation services are provided for only four days per week. DATTCO still expects that we pay 100% of the contract although we are not receiving 100% of the services. The Board’s legal counsel is working with DATTCO’s legal counsel to resolve the situation.

D. STUDENT REPRESENTATIVE
Tiffanie Henry, our Student Representative, noted that in September MHS seniors celebrated their last, first day of school with a senior sunrise on the football field. There was a great turnout and seeing friends off schedule, 6 feet apart of course, was wonderful. Students seem to be slowly acclimating to the new hybrid schedule with more independent time than before. After school activities are now opening up with modified meetings and online applications and try-outs.

E. PUBLIC COMMENTS
Stephanie Knybel, 185 East Center Street, read an email she previously sent Board members in response to the plan to have elementary students return to full time, in-person learning next month. Ms. Knybel feels we should keep the current Monday/Thursday and Tuesday/Friday schedules as they are working with a low number of cases impacting the MPS community, while the state numbers are rising. This is flu season and with spending over $1 million to outfit our classrooms, why would we risk our K-4 population. Is this equity? Why are only elementary schools returning full-time? Ms. Knybel was worried about there being enough social distancing space and enough staff for this plan. Ms. Knybel was worried about when the intense cleaning will be done which is now done on Wednesdays. She suggested possibly waiting until January to reevaluate the current situation and make a change then. If this change is made, she hopes that the Board of Education will be meeting in person and no longer virtually.

Mr. Geary read public comments that were sent in via email or the new public comment form, or seen on social media. Here is a sampling:

Tom Stringfellow, 183 Hillstown Road, sent in the following concerns/suggestions:
1.) Census ends on 10/15/2020 - last date to collect names - not being extended.
2.) Trump pushing back about diversity training or critical race theory - anything critical of U.S. History - will this affect funding for schools? He claims it's unamerican and Marx's teaching - Trump is also targeting books - such as Blue is I

3.) How is home school going - is this different from remote learning?

4.) PPS Student Mental/Physical Health - last done by Retired Nurse Lynn Gustafson in April or Oct 1995.

5.) Problems about student safety and stranger danger with students being at home.

Suzanne Szumowski, 735 Lydall Street, via email stated: I am a grandmother to a 1st grader and 4th grader in town. We have witnessed the hybrid school in our home for 4 weeks now and I have to say it is extremely difficult for kids, parents, grandparents and teachers! These children miss school and cannot wait to go back to a more normal education. I hope that will happen much sooner than later. Thank you for all you have done thus far and for allowing comments here.

Gentiana Vjesto, via phone, Please let our kids to go to school every day. Our kids are falling behind because they are not going to school full time. We need to have our kids back to school because the coronavirus is not going to go anywhere. This is our future life. What are we going to do for the future for our kids? Kids have higher risk to get the coronavirus out of school than in school. They go to friends house without the mask and they socialize with each other. This has been a very difficult time for parents and teachers. We as parents have been struggling with this coronavirus for everything. So please we are begging you to open the school at least 4 days a week and you can keep Wednesday for cleaning. Vernon and Ellington are opening schools full time. Why is Manchester not opening the schools full time?????? PLEASE, PLEASE, PLEASE OPEN OPEN the school for kids. We and the kids are struggling so HELP HELP US make our life easy and better please.

Ashton Henry, via email: My concern, as the mother of a second grade student at Martin, is that children and parents/guardians have gotten used to the present schedule which has been in place since the beginning of the academic year. Is it really in everyone’s best interests to return to a full time in-person learning experience after child care and transportation adjustments have been made to coincide with the present learning model? I wholeheartedly support children being in school full time; however, I feel it should be implemented following a break in the calendar to allow caregivers time
to adjust and make necessary arrangements. I believe it would make more sense to have K-4 students return to the schools full time at the conclusion of holiday break as this not only provides ample time for everyone to plan for the change, but also allows for the district to revert to the hybrid model should COVID cases continue to proliferate. I wouldn't like to see the students return full time in November only to be sitting at home learning 2-3 weeks later again because illnesses increased.

Izaura Negron via phone: Since the district is changing k-4 schedules in November, can parents have a chance to change their child from hybrid to distance learning? This is very concerning due to changes being made right before the flu season! Why can't school resume full time after the new year?

Cheryl no last name given via phone: Before school started there was talk about mask breaks for the kids being during Art, science, music etc. and that those classes would try to be outdoors as much as possible ... but my kids have stated the only mask break is recess and lunch. If school resumes back to 5 days, which I am very much in favor of, I'm wondering if more mask breaks will be discussed and can be followed through with now that it is a longer/fuller week?

Melanie Michaud via email: Why try and send the kids back to school full time when flu season is about to start and the infectivity rate in CT has doubled? The number of cases are staying low in the schools because there is a limited amount of exposure. Why change this now?

Mary LeRoux via email: I believe it would be a bad idea to resume full time in person classes in November. Many parents are reluctant to keep their hybrid students at home if the child doesn't feel well. The state count has increased to 2.4%. This will only increase more if precautions are not kept in place.

Christy Driscoll via email: We have seen a huge increase in the use of technology in education as a result of the pandemic, at home but also in the classroom. As a parent, the amount of time the kids are spending on the ipads and chromebooks is troubling, especially for the little ones. They are easily distracted by all the bells and whistles of the technology, and they are little guys who are just learning to write and are now being asked to type or use their fingers instead. I know that this is necessary given the
current state of the world, but do you see this as being a permanent change when we get back to normal? What do you see as the benefits and also the downsides of such an increase of the use of and time in front of screens? Are there discussions being had in the district about the relative benefits and detriments of the large increase in the use of technology in education? Thank you!

Carmen I. Llano Mendoza via email: The Ipads are a great source for the children, but there is a problem with that. We had to exchange the Ipad 3 times and we can still doing that, but that problem challenged us during class. Are you working on fixing that? What are your plans for that, if you have one?

**F. SUPERINTENDENT’S REPORT**

**F.1. Bennet School Improvement Plan**

*Mr. Geary* introduced Joe Chella, Principal of Bennet Academy. Mr. Chella, along with Assistant Principals Joan Charnas, Cathy Amadasun, and Megan Thompson, gave a presentation that included a typical day of a student and teacher.

**F.2. Update on Elementary Equity Work**

*Mr. Geary* introduced Ryan Parker, from the Equity Team, who spoke about the Read Alouds being taped for engagement with elementary students. These books are being read by staff and community members of color and feature authors of color and characters of color so the students of color see themselves represented.

*Mr. Thames* noted that his mother nurtured his love of reading early. He loved that Mr. Parker’s message was powerful and positive with no negative words and no racism references. Mr. Thames felt this was a great initiative and he is excited to be one of the first readers.

*Mr. Pattacini* thanked Mr. Parker for his inspirational update. He appreciates his work. Mr. Pattacini wondered what the Board can do to further this activity? Mr. Parker was excited to know the support is available and he will be thoughtful about his response and get back to the Board at a later date. Mr. Pattacini
stated we need to become comfortable with the uncomfortable and he feels good about working to do that and notes it is critical that we get it right.

Mr. Meggers felt this was a moving presentation and he supports and appreciates the efforts.

Ms. Patterson thanked Mr. Parker and echoed her fellow board members offers of support. She loves the contagious energy and appreciates what Mr. Parker offers the team.

Mr. Heinrich thanked Mr. Parker for a phenomenal presentation and stated he is completely behind the work that is making a difference.

Mr. Geary expressed his appreciation for the Equity Team work.

F.3. Update on Opening of School

Mr. Geary noted that even with the positive cases that have impacted schools this year, there has been no spread within the school. Supplies, technology and PPE have all been distributed to staff and students. The Corona Virus Relief Fund provided $855,575 from the state. The ESSER Fund, Elementary and Secondary School Emergency Relief Fund, provided for $1,540,381 in funding.

Mr. Geary reviewed his plan to have elementary school students that are not remote return to school Monday-Friday from 9:10-2:10. The classes will have less than 13 students each, to allow for continued social distancing. In order to accommodate the small class sizes, elementary STEM teachers will be reassigned to become classroom teachers and four temporary teachers will be hired. The start date for this new schedule will be November 2. Mr. Geary acknowledged that while many parents are in favor of this change, not everyone is. Mr. Geary feels that due to the number of elementary student families choosing to be remote, we can safely get the rest of the elementary school kids back in the buildings full time.

One issue Mr. Geary acknowledged is bussing. While many families have chosen to drive their children this year, that is not possible for everyone. Having the full
cohort of Hybrid students come full time means that buses may have 20+ students on them, which means social distancing may fall to less than ideal, though students are still required to wear their masks on the bus.

Mr. Geary acknowledged that some students will have to be shifted to a new teacher, with the addition of the STEM and four new temporary teachers having full classes.

Mr. Hughes wondered if families that are currently Hybrid can change to fully Remote if they are not in favor of this schedule change. Mr. Geary stated that anyone that was approved to make the switch prior would be accommodated and beyond that changes will be made on a limited basis.

Mr. Pattacini appreciated the thoughtfulness of this decision and the flexibility. He noted that the lack of transmission through schools shows we are doing the right things. In Manchester over the last several weeks there have been 119 COVID cases and only about 10 of those impacted our schools. Mr. Pattacini wondered about keeping Wednesday remote for deep cleaning and having a four day return. Mr. Geary noted he considered that but that ending the elementary day at 2:10 is significantly earlier than in the past and allows extra time for cleaning in the late afternoon/evening. Typically Wednesday cleaning is for less used areas and for refilling PPE, soap, hand sanitizer, etc. Those duties will be shifted across the week and if needed overtime can be authorized on Saturday mornings. In trying to best support parents, Mr. Geary feels a five day return is the best option.

Mr. Pattacini wondered about changes to the lunch program with this new schedule. Mr. Geary noted that the time of elementary school is not changing this year and has ended at 2:10 since the start. Students will continue to eat lunch in their classrooms instead of the cafeteria.

Mr. Pattacini noted that at any time the numbers in the state could warrant a return to the original Hybrid model or even to remote learning and then back in buildings again. If this happens, would students who are about to have their teachers change be made to go back to their original teachers? Mr. Geary stated
it would be unlikely to make any further changes and STEAM and temporary teachers will remain with their new student cohorts.

Mr. Pattacini feels it is important to get elementary age students back into the classrooms, even if it winds up being only for a few weeks. He appreciated the request to hold board meetings in person, however as a community we have to decide what in-person interactions we choose to participate in. A virtual meeting is one way to continue to keep Covid cases low.

Mr. Geary added that health and safety is our first priority. A board meeting in person would require masks, which makes speakers inaudible and unable to see each other’s faces. The conversation about in-person students and in-person board meetings is not the same.

Mr. Meggers echoed Mr. Geary’s sentiment that we have to be flexible. Nothing is set in stone. We are subject to state guidelines. He appreciated the comment about virtual meetings if elementary returns full-time, but agreed that those are unrelated to each other.

Mr. Geary also pointed out that many other communities felt pressure from their Boards of Education to return students to school full time. This Board has always put students and staff safety first and has not pressured the district.

Ms. Patterson also respected the community's comments and thoughts. As a parent you worry when they go to school and there are tough decisions to be made. She supports the work and due diligence involved in making these decisions. As a full time working parent, who works in the home, this has not been easy to balance. Many parents and children do not have the right supports at home and have potentially been left behind. Ms. Patterson applauds the leadership team and supports the return 100%.

Mr. Thames supports the return as well. He currently has grandchildren in the Manchester system and he worries about them. He knows we did a good job with remote learning but there is no substitute for in-person learning. All precautions are being taken. Mr. Thames pointed out the state chart about
number of cases per 100,000 people. Mr. Geary noted the chart is intended to help local Boards of Education with guidance around when classes should go hybrid or fully remote.

G. UNFINISHED BUSINESS

G.1. Policy Recommendation
Mr. Thames reported that the Policy Subcommittee submits to the full Board the proposed revisions to the Temporary Additions and Revisions Related to the COVID-19 Pandemic Policy, # C19 for a second reading and adoption in accordance with its policy on policy changes.

Secretary Pattacini moved to approve the revision to Policy # C19, Temporary Additions and Revisions Related to the COVID-19 Pandemic Policy. Mr. Meggers seconded the motion.

6/0 - Voted in favor.

H. NEW BUSINESS
None.

I. PUBLIC COMMENTS
Mr. Geary read some public comments that had been submitted during the meeting.

Katia Rivera via email - I support Superintendent Geary’s plan to move forward with opening elementary schools up the entire week. It is so difficult for working parents. I cannot keep track of all of the work online or if it is being submitted so I am constantly emailing teachers. I think opening them 4 days and keeping Wednesdays off for cleaning would be helpful. I have yet to figure out childcare for off days.

Connie Anglin via email - NO! Do not support going 5 days. I signed up for hybrid knowing it was going to be twice a week, not in person every day.
Will students be moved from their current classroom/teacher if we go back 5 days and but it goes over the allowed number of students per classroom?
So No STEM the rest of the year regardless?
Terry Vallieres Berube (posted on Facebook): Students (K-8) who can cohort should return to school full time. Young students learn best in person in my opinion. MHS should remain on the hybrid schedule. HS students mostly can handle the hybrid learning plus cannot cohort especially for lunch.

Sheri Myers (posted on FB): I definitely want to see younger children return to full in person. PreK through 4th would be wonderful. This has been very difficult. The teachers are doing amazing but it’s hard for everyone involved

Danielle Barnett (posted on FB): I support manchester in hybrid from they’re doing amazing but I would support full schedule if it was enacted.

Amanda Buckingham (posted on FB): Hybrid students should be in school full days for the 2 days. Currently, This is not enough in-school time. It boils down to one full day in person.

Lisa Marie (posted on FB): I just don’t understand why towns next to us have gone back to school full time but we haven’t. What is the hesitation? I’m burnt out as are many other parents.

Tanya Lynn Harmon (posted on FB): That’s my concern- Manchester hasn’t gone a week without kids in quarantine. I would like to see a month without a case before we move forward.

Ted Fravel - I'm for keeping in the hybrid 2 days a week BUT have them go the normal school day.. 9-3:30pm (K-4) We're all trying to juggle schedules and having them released at 2pm just doesn't work.

Lori Klar (posted on FB): smaller schools have gone back just hope if k-4 go back they can be with their same cohort they have been with some consistency. The younger kids struggle more than middle school and high school some still confused about what normal school actually is.since they have not had one yet
Kate Papsun (posted on FB): What about classes that have more than ten students? Will those students be reassigned randomly?

---- the following were “live” during the meeting:

**Mr. Tom Stringfellow**, 183 Hillstown Road, spoke about teaching tolerance and civil rights. He recommended the book *Words of Change* which is antiracism. Mr. Stringfellow mentioned Indiginous People’s Day and recommended an article in *American Archeology*. He also mentioned the Italian Renaissance and black explorers. Last, Mr. Stringfellow mentioned this is the 75th anniversary of the end of World War II, of which his father was involved.

**Stephanie Knybel**, 185 E. Center Street, pointed out that while the new schedule for elementary students is said to start November 2nd, election day is November 3rd and we vote in many of the schools. She wondered if voting would be impacted. Ms. Knybel noted she does not always agree with Mr. Geary and his plans, but she thinks that he is doing a wonderful job!

Mr. Geary acknowledged that 11/3 is election day and therefore a remote school day for the entire district, so the first week of the elementary students going back to school five days a week will in fact be only four days. The following week will also wind up being a four day week, as Veteran’s Day falls mid-week.

**J. COMMUNICATIONS**
**Mr. Geary** announced the state will allow virtual snow days.

**Mr. Thames** pointed out an African American Black Affairs Commission voter registration and kid mask/coat drive happening at Squire Village Community Center on October 24, 11:30 to 2:30.

Minutes  
October 21, 2020  
6:00 PM

The meeting was held virtually and began at 6:00 PM.

Members Present: Peter Meggers, Tracy Patterson, Darryl Thames Sr.
Others Present: Diane Clare-Kearney, Matt Geary, Sophia Krisch

The members reviewed the Board of Education resolution on Promoting Equity and Antiracism.

Dr. Clare-Kearney, Director of Equity and Adult Education have an overview of the district equity work to date. Below are some key priorities:

- Create a strategic plan to promote a culture of anti-racism, diversity, and inclusion.
- Establish and facilitate a district-wide Equity Leadership Team, composed of administrators, teachers, support staff, students, parents, and community members.
- Strengthen school based Equity Leadership Teams.
- Engage all staff in professional learning related to cultural competence, anti-bias training and conversations about race.
- Identify community partners and develop a collaborative body to engage in community conversations that will lead to systemic improvements.
- Center student voices in matters related to anti-racism, diversity, and inclusion.

Mr. Meggers expressed that we should put an emphasis on parental communication. Programming or professional development that engages parents in conversations around race to get them talking and to get them comfortable without being judged would be good.

Ms. Patterson echoed the same thoughts. She suggested that perhaps we can connect with families through zoom or google meets or provide resources and/or videos about racial equity to help parents get comfortable and to inform.

Mr. Thames said he would like some time to reflect on what he thinks an actionable step should be. He is concerned about the perceptions and the messages that are being conveyed politically.

Mr. Geary shared that future meetings will include community organizations who have an interest in racial equity work. This meeting was organizational to brainstorm thoughts and ideas from Board members about what the goal and focus of the committee will be.

Respectfully Submitted,  
Matt Geary

Mr. Darryl Thames
27 Philips Road
Manchester, CT 06040

Dear Mr. Thames:

CABE exists to serve you. But, you need to take advantage!

As your board has not been a member of CABE, there are three new developments of which you should be aware:

First, because of the threat that this pandemic poses to school districts, CABE offered support in multiple ways to EVERY school district in the State, including nonmembers such as your school district. Considering the gravity of what’s facing every district, we believe it was the right thing to do.

We do not yet know whether our schools will reopen for this school year, but, even if they do, it will not be a return to the “normal” routine. In addition to those services, we have added to what we provide through extensive provision of materials on the pandemic, monitoring of latest developments, Friday afternoon Board Chair Check-Ins and Updates, as well as other webinars or teleconferences as appropriate.

We hope you have taken advantage of these opportunities this Spring.

Second, historically, a district needed to be out of CABE for four years to become a trial member. This year, for the first time, we are extending this opportunity to districts that have been out for only three years. Trial membership allows a district, such as yours, to pay one-half of your regular dues for fiscal year 2020-21. As a trial member, your district will be considered a full member of CABE, with the exception of voting privileges at our Delegate Assembly.

Third, because of their commitment to supporting boards, on April 22, the Board of Directors extended its dues freeze for a fifth year in a row.

These decisions were not taken lightly by the Board. While CABE faces uncertainty over the effects of the crisis and fiscal pressures, we believe we have adequate reserves to continue to provide the services and activities that our members have come to expect and rely upon: Advocacy, Policy, Professional Development and Communications. No other organization is better equipped to help you in all of these critical areas.
Our Board and staff are committed to meeting your needs in ways that are safe and effective.

You might feel, as one chair told us, that CABE is her “lifeline!”

CABE is a membership organization, with approximately 90% of all Connecticut school boards as members. We work together to stay informed on issues, provide our members with valuable resources, best practices, and help fulfill boards’ governance and management responsibilities.

Our success is dependent on Boards being involved in our organization and providing their local perspectives.

Should you join, your membership will provide you with an expanded network with more resources to tap, allows you to have a voice in our work representing the needs of boards statewide, gives you the strength found in numbers, and allows us to better influence legislators with regard to making decisions that are in the best interest of your board and public education.

CABE assists you to have a more effective board, allows your district to better focus on student achievement and potentially saves your district money.

We ask you to rejoin us as a trial member for the 2020-21 year to strengthen the most valuable resource for Connecticut’s school boards. Your trial membership dues for fiscal year 2020-2021 are $10,524.

Here are additional advantages of CABE membership. Your Board will:

- receive many of CABE’s services at no additional cost or at greatly discounted rates;
- have the opportunity to participate in professional development opportunities that are offered throughout the year at greatly reduced member rates;
- allow us to be your advocates at the Legislature testifying on key issues, following all bills and influencing legislators;
- receive information both on paper and digitally on many educational issues; and
- provide you, as Board Chair, with the opportunity to participate on our email “listserv and Board Chair Roundtables,” learning and sharing information with fellow Board Chairs.

We hope you will rejoin CABE and become a member of our Association.

We know all school boards are dealing with difficult and uncertain financial situations, but it is precisely at times like these that it is more important than ever to band together. By doing so we can share solutions and take advantage of economies of scale in many areas, but we also speak with a louder, firmer voice to the state and national policy makers who ultimately determine the viability of local public education.

We want to help every student in Connecticut succeed, and we need your support and involvement to accomplish that.

Thank you for your time and consideration.

Sincerely yours,

Donald Harris
