*Welcome to the Manchester Board of Education meeting. Observers are always welcome. The following instructions are to assist those who wish to speak during the Public Comment session(s):*

1) Print your name and address on the sign-in sheet at the podium for accurate record keeping.
2) State your name and address for the record. Students state name only.
3) First Session: Three minute time limit for any item that may come before the Board. Listen for the bell.
4) Second Session: Comments must be limited to items on the Board’s agenda for this meeting. The Board Chair has the discretion to limit comment time.
5) Written statements may be substituted for Board members if time runs out for speaker.
6) Immediate replies to questions/concerns should not be expected (Board Chair/Superintendent’s discretion).
7) Inappropriate topics: Confidential information, personal issues and legal concerns. Please avoid derogatory and profane language. Board of Education Policy #1220.
The meeting convened at 5:30 PM

Members Present: Peter Conyers, Deb Hagenow, Tracy Maio, Darryl Thames
Others Present: Matt Geary, Darren Schwartz

The subcommittee reviewed multiple high leverage policies. A policy is high leverage if it achieves three distinct outcomes. The policy must:

1. Expand learning and increase achievement or attainment for all students;
2. Increase equity in learning, achievement, or attainment among students; and
3. Initiate multiplicative effects in the educational system.

1. The subcommittee reviewed the following policy revisions and will move them to the full Board of Education for adoption

**Extended Learning Opportunities - Policy #5127**

Extended Learning Opportunities (ELO’s) are learning experiences that take place outside of the classroom and beyond a traditional course sequence and allow students to meet graduation expectations. The goal of the Extended Learning Opportunity (ELO) is to provide pathways for students to choose their own meaningful and relevant learning experience by meeting their diverse learning styles, talents, and interests.

**Mission of Manchester Board of Education - Policy #6120**

This policy is being updated to include language on producing annual report on the mission and vision to the community.

[Mission of the Manchester Board of Education](#)

2. The subcommittee members reviewed the draft of the Board of Education Self-Assessment and will send feedback to the Superintendent by December 10 in advance of the Board of Education Professional Learning session.

[Draft Board of Education Self Evaluation](#)
3. The subcommittee reviewed proposed changes from legal counsel to the Board of Education Bylaws. The Superintendent will work those changes in to the bylaws and bring a draft of the revised bylaws to the full Board of Education for review at the Professional Learning session on December 17.

4. The subcommittee reviewed two versions of proposed calendars and the Superintendent will make changes and bring the 19-20 calendar for adoption to the full Board of Education on December 10.

Respectfully Submitted

Subject: Item for Appropriation FY 18/19 Garrett Lee Smith Suicide Prevention Grant

Date: November 29, 2018

**Background:** Garrett Lee Smith Suicide Prevention Grant from Community Health Resources is provided to support the goals of the Connecticut Strategic Plan for Suicide Prevention, by addressing needs and gaps using strategies, though the development of formal agreements, thereby reducing suicide attempts and deaths of youth ages 10-24 in Connecticut. The agreement is entered into for the purpose of establishing a collaborative relationship between Community Health Care as the Intensive Community-Based Effort as a primary mental health and substance abuse treatment provider organization, and Manchester Public Schools.

**Discussion/Analysis:** FY18/19 is the third of a 3-year agreement to create a streamlined system within the school and across the community for improved crisis assessment, intervention, mental/behavioral treatment and follow-up services.

**Financial Impact:** None.

**Other Board/Commission Action:** None.

**Recommendation:** The Superintendent of Schools recommends that the Board of Education request the Board of Directors to create the Garrett Lee Smith Prevention Grant appropriation for FY18/19 in the amount of $15,000.

To: The Manchester Board of Education

From: Matthew Geary, Superintendent of Schools

Subject: Appropriation of The Carl D. Perkins Career and Technical Education Secondary Basic Grant for the 2018-19 school year.

Date: December 3, 2018

Background:
Manchester Public Schools have demonstrated a record of excellence in career and technical education. The Carl D. Perkins Career and Technical Education Secondary Basic Grant will improve and expand education and career guidance systems for Manchester’s youth. The grant is funded by the State of Connecticut.

Discussion/Analysis:
Funds will be used to:

1. Revise and/or re-write curriculum to ensure alignment with state/national common core standards in Business, Family Consumer Science, and Technology Education departments.
2. Provide professional development opportunities to ensure that students are exposed to specific career-based competencies, which will prepare them for a transition to a technologically-advanced employment workplace.
3. Provide funding for externships and field trips in conjunction with the College Career Pathways initiative.
4. Support specific developmental initiatives through funding for instructional programs, supplies and equipment for grades 9-12 in the aforementioned areas.

Financial Impact: None to the Board of Education.

Other Board/Commission Action: None.

Recommendations:
The Superintendent of Schools recommends the Board of Education request the Board of Directors appropriate $114,341 for the FY 2018-19 Carl D. Perkins Career and Technical Education Secondary Basic Grant provided through the State of Connecticut.

Manchester Public Schools
Policy #5127.11

Extended Learning Opportunities

The Manchester Public Schools recognizes that learning experiences that lead to student intellectual and personal growth can happen both inside and outside of the traditional classroom setting. In response to the need to provide engaging, relevant, and equitable approaches to teaching and learning to prepare all students for college and career, the Manchester Public Schools has identified practice methods to design, document, and assess meaningful learning experiences that happen outside of the classroom.

Extended Learning Opportunities (ELO’s) are learning experiences that take place outside of the classroom and beyond a traditional course sequence and allow students to meet graduation expectations. The goal of the Extended Learning Opportunity (ELO) is to provide pathways for students to choose their own meaningful and relevant learning experience by meeting their diverse learning styles, talents, and interests. ELO’s are:

- Proficiency - Based: ELO’s allow students to demonstrate learning aligned with the school’s graduation expectations, and a student’s performance during an ELO is measured by agreed-upon schoolwide criteria for success.
- Relevant: ELO’s are driven and shaped by students’ personal interests, their career aspirations, and the assets available within the Manchester community. ELO’s can be also be used to formally recognize skills and knowledge students acquire through life experiences separate from school, such as proficiency in a language other than English, or an understanding of graphic design acquired while working at a local business.
- Flexible: ELO’s adapt to students’ learning goals, and can take nearly any form. Students can participate in ELO’s as a part of a group or on their own. They can vary in scope and be multidisciplinary.
- Anytime - Anywhere: ELOs can take place
  - Online: Courses completed in an online format developed and/or selected and approved by the school including but not limited to
  - On-site: advanced language courses, independent research projects, career exploration, career oriented certification programs, and electives completed at the school during or after regular school hours.
  - Off-site: work study courses completed in partnership with nonprofits, local businesses, and universities.

Regardless of site, credits earned through ELOs count toward full time student status.
● Supported by adult community members: ELO’s include both school-based educators and community based professionals in the planning, execution, and assessment phases.

Two Distinct Tiers of Extended Learning Opportunities

There are two options with varying levels of student ownership that would allow students to participate in an ELO to gain high school credit.

1. Students will be able to choose an established learning pathway with defined criteria and processes such as Unpaid Experiential Learning Program (UELP), pre-apprenticeship programs, online courses through Odysseyware and other systems, middle school courses for high school credit, community based certificate programs, and college courses beyond those articulated with Manchester High School.

2. Another path for an Extended Learning Opportunity is for students to work with an adult, within or outside the school walls, to co-create an experience with some established structures. Students create their learning goals, a plan for monitoring and feedback, and criteria for success. These may include paid work experiences, school-based activities, community-based activities, open online courses, independent studies, project-oriented community service, and other personalized pursuits or passion projects. This pathway would allow varying degrees of adult support, depending on the student and the established outcome(s).

High school graduation credit will be granted to students upon the successful demonstration of mastery of subject matter achieved through educational experiences and opportunities that provide flexible and multiple pathways to learning, provided that such demonstration of mastery is in accordance with such statewide subject matter content standards and Manchester High School vision of a graduate. In order to count toward a subject area credit requirement, student must work with relevant school staff to identify competencies in designated course requirement and outline how all competencies will be addressed in Extended Learning Opportunity. Demonstration of mastery may include a variety of assessment methods, including performance assessments, by which learners can demonstrate mastery (if necessary, student may demonstrate on multiple occasions through multiple measures).

Administrative Regulation of Online Courses

The Manchester Board of Education recognizes the importance of technology in education and the growing popularity and use of online coursework. In that regard, and in accordance with Connecticut General Statutes § 10-221a, the Board sanctions the receipt of online course credit to be used toward high school graduation requirements, in accordance with this policy.

Pre-approval

To receive credit for online courses to be used toward high school graduation requirements, students must, prior to registering for the course, receive approval from the high school principal or his/her designee. The decision of the principal or his/her designee with regard to online course credit approval is final. Pre-approval for online course credit may be granted if the following requirements are met:

1. The workload required by the online course is equivalent to that of a similar course taught in a traditional classroom setting;
2. The content of the online course is rigorous and aligned with curriculum guidelines approved by the State Board of Education, where appropriate;
3. The course engages students and has interactive components, which may include, but are not limited to, required interactions between students and their teachers, participation in online demonstrations, discussion boards or virtual labs;
4. The program of instruction for such online coursework is planned, ongoing and systematic;

5. The courses are:
   a. taught by teachers who are certified in Connecticut or another state and have received training on teaching in an online environment, or
   b. offered by institutions of higher education that are accredited by the Board of Regents for Higher Education or regionally accredited; and

6. The principal has determined, in his or her professional judgment, that, given the student’s academic and disciplinary history, the student is appropriately suited to engage in online coursework.

Additional Requirements

Only students in grades 9-12 are eligible to receive credit toward high school graduation by taking online courses. Students who have been pre-approved shall receive such credit upon completing the online course and obtaining a passing grade.

Any expense incurred for taking the online course shall be the responsibility of the student and shall not be the responsibility of the Board of Education.
Mission of the Manchester Public Schools

Manchester Public Schools will engage all students in the highest quality 21st century education preschool through graduation. Through an active partnership with students, school personnel, families and community, the Manchester Public Schools will create safe, inclusive schools where equity is the norm and excellence is the goal. All students will be prepared to be lifelong learners and contributing members of society.

Manchester Board of Education
Vision of the Manchester Public Schools

Three Areas of Focus for the Manchester Public Schools:
1. Outcomes and Opportunities for Students
2. Overall Quality of the School District
3. The School District’s Relationship with the Community

1. Outcomes and Opportunities for Students:

Our vision is that all students in the Manchester Public Schools will:

- Arrive at kindergarten with developmentally appropriate social and academic readiness capabilities
- Achieve foundational skills in reading, writing and mathematics on grade level, by grade three.
- Meet high performance standards on local and State assessments.
- Demonstrate positive values and beliefs as evidenced by respect for peers and adults; a strong work ethic; a growth mindset; and kindness and caring for themselves and others.
- Make decisions that have positive results for themselves and others; manage their time effectively; advocate for themselves; embrace and value differences in all people; and assume responsibility for their own actions.
- Engage in critical and creative thinking to solve personal, social and academic problems; and actively pursue independent learning opportunities.
- Apply technology to analyze, evaluate, and synthesize the increasing volume of available information in a rapidly changing world
- Develop an appreciation of the performing and visual arts; participate and collaborate in all aspects of the arts commensurate with age, interests and talents.
- Exemplify the determination, perseverance, grit, and teamwork necessary to succeed in the challenges they will face in all areas of school life and beyond graduation.
- Be prepared to make sound personal decisions regarding a healthy, productive lifestyle, including diet, health maintenance, exercise including athletics, and positive leisure activities.
- Value all educational opportunities; remain in school; and graduate with optimism and confidence in their choices for college and career opportunities.

2. Overall Quality of the School District

Our vision is that the Manchester Public Schools will be characterized by the following:

- Safe, secure and well maintained schools.
- A strong belief that all children can learn.
- Adults who are committed to ensuring success for all students by providing equal access and opportunities.
- A climate that fosters learning and high achievement and is characterized by mutual respect, care, and concern for all students, staff and families.
● A strong, inclusive, and comprehensive academic system that includes a rigorous, standards-based curriculum, and high-quality and consistently effective instruction and assessment in all schools.
● Co-curricular programs for gifted, service-minded, creative, artistic and athletic students appropriate to satisfy the myriad needs and interests of all students in support of their college and career readiness.
● A student population in all schools that represents the diversity in the District as a whole.
● A wide range of up-to-date technologies and technical support for student learning; professional development; personnel and office management; and student records maintenance and transfer throughout the District.
● A unified and coherent system of ongoing monitoring and evaluation of students, staff, and administration; and for auditing and evaluating all major operating systems in the District.
● An effective system in place to ensure the recruitment, orientation, supervision, and development of all personnel in the District to ensure selection, support, and retention of highly talented administrators, faculty and staff.
● Well-trained and skilled classroom-level professionals who work collaboratively to examine student work, assess student performance, and continuously improve classroom instructional practices.
● Well-trained teams of adults collaboratively engaged at all levels of the system to enhance the capacities of District educators to significantly contribute to positive outcomes for all students.

3. The School District’s Relationship with the Community

Our vision is that the Manchester Public Schools’ relationships with the community will be characterized by the following:

● Constituents from both schools and community recognize the importance of the role each has in making the community a viable and attractive place to live.
● Parents and families are actively involved in their children’s educational success, including engagement in school activities and community participation in social, civic and political events.
● Residents understand and support the tax-based educational budget and become advocates for school improvement.
● Faculty, staff and administration are integral in supporting the community through civic, social and political engagement.
● School officials provide many opportunities to include community members in school activities, ensuring an open, welcoming environment.
● School officials communicate frequently and directly to the community so that residents understand the District’s vision and goals and are informed of the progress being made toward achievement of the District’s expectations for all of its students.
● As part of the District’s commitment to improve outcomes and opportunities for all students, an Annual Report to the community will be developed and distributed detailing progress toward achieving the Mission and Vision.

Manchester Board of Education Priorities
2017-2020

1. Continually monitor the District Improvement Plan that includes clearly defined goals and strategies in the areas of Systems and Operations, Academics, Culture and Climate, and Talent Development to support improved student performance for all students
2. Complete Phase 1 of the Manchester Public Schools 2025 Building Renovation Plan which includes the Bennet-Cheney 5/6 Academy, Waddell Elementary School renovation and expansion, and Verplanck Elementary School renovation and expansion along with planned security upgrades at all schools; Build public support for Phase 2 of the Manchester Public Schools 2025 Building Renovation Plan, which includes the renovation and expansion of Buckley Elementary School, Bowers Elementary School, Keeney Elementary School, and Martin Elementary School, after review by SMARTR2 Committee
3. Continue to build upon existing collaborative relationships with Town officials and the community at large
4. Continue to actively promote the good work of the Manchester Public Schools through strengthened communication and outreach
5. Begin Board of Education Self Evaluation process developed by the full Board during 2016-17
