purchased for the Fall 2019, which will include a 6 year license to updates and an interactive digital student version.

In January 2020, Manchester, with support from the Hartford Foundation for Public Giving, was to implement the EDI (Early Development Inventory) to kindergarten students. The school readiness took captures data within five areas: social competence, physical health and well-being, emotional maturity, language and cognitive, and communication skills. Assessment data would be available in July 2020, which could be used to support Manchester’s work with its newly formed PK/K Transition Team being guided by Diane Sheehan-Burns. On Wednesday, April 24th, Ms. Burns received word from the CT State Department of Education stating that the EDI must be given in addition to the state’s Kindergarten Entrance Inventory (KEI). The District is currently in discussions regarding next steps as we do not want to over-evaluate students or take additional learning time away from them.

Mr. Stringfellow noted that June 6th will mark the 75th anniversary of D-Day and he recommended an article in a Naval magazine about the topic. He noted that not all heroes are white. Regarding equity in schools, Mr. Stringfellow recommended two books, *Opposite of Hate* and *White Fragility*.

F. SUPERINTENDENT’S REPORT – PART I

**F.1. Adult Education Update**

Dr. Radikas introduced Dr. Diane Clare-Kearney to discuss the program. Dr. Clare-Kearney was joined by both staff and students to talk about the Adult & Continuing Education Program. Her powerpoint is available on the website.

Mr. Scappaticci wondered how the Board can help support this wonderful program. Dr. Clare-Kearney noted they need more space. She said many classes are filled to capacity when they would prefer to keep the number of students under 10, some are at 30 with a tutor to assist.

Mr. Scappaticci noted that Ms. Blakeslee attended MCC. She said that MCC helped teach her how to be a student and she moved on to Eastern after that. Mr. Scappaticci was impressed that the staff helps students move on to higher education at MCC.

Mr. Conyers was familiar with the GED program but asked for an explanation of the NDEP and CDP programs. Dr. Clare-Kearney explained the GED program is generally for those over age 24. The NDEP - National External Diploma Program is a competency based experience for a more mature student (usually over age 40) and is a one to one program with an advisor and assessor. The CDP program - Credit Diploma Program - is similar to high school in that students earn credits and is held from 4:15 -9:00 p.m. Monday through Thursday. Typical students are ages 18-22.

Mr. Conyers was pleased to hear about partnership with the town in job shadow programs.
Mr. Hughes wondered about the space issue, asking if current schools were used at night. Dr. Clare-Kearney stated they do use the high school at night, but the space problem is during the day. Currently classes are held during the day at the Pavilions, Squire Village, Main Street and in a couple elementary schools that host ESL programs. She noted we really need to create another level of ESL classes and she would like to have 5-8 more classrooms.

Mr. Pattacini thanked Dr. Clare-Kearney for the work they do and he enjoyed hearing the life stories of the students who spoke this evening. They have overcome much in their lives and the program embodies them to be lifelong learners.

Dr. Clare-Kearney thanked the Board for their support, noting this program has evolved since 2010 into a model program for the state. Other districts ask us how we are implementing career readiness into the curriculum and come to us for guidance.

Mr. Scappaticci moved for a short recess. Ms. Hagenow seconded the motion.

8/0 - Voted in favor. Session in recess at 7:45 p.m.

Back in session at 7:53 p.m.

F.2. Manchester Public School 2025 Plan - Phase 2
Mr. Geary showed the Board the flyer and presentation being shown to the community in advance of the referendum scheduled for June 4th. He has already presented at several PTA meetings, the Senior Center and several community events and has several more on the schedule for the coming weeks.

Mr. Geary noted that Phase I is coming in ahead of schedule and under budget. Phase II goes to referendum June 4th and the recommended plan is the “three school plan” to renovate Buckley, Bowers and Keeney to accommodate a larger student body. Funds will be earmarked for repurposing Martin, Nathan Hale, and Washington Schools. This plan will cost the taxpayers about $34 million after the
55% state reimbursement. Mr. Geary’s presentation is available for viewing on the website.

Ms. Hagenow wondered what would happen to the excess $5 million left from Phase I if Phase II does not get approved. Mr. Geary explained that we simply would not bond that money so taxes would not go up quite as much, that we did not already have that money.

Mr. Geary responded to a few questions sent in from the public:

- What if the referendum fails? Mr. Geary stated there is no backup plan, we would go back to the drawing board. The purpose of this plan is to take a holistic approach and not just attempt to renovate one school at a time. It is critical for community members to get out and vote on June 4th.
- Do we expect a large voter turnout on the 4th? Mr. Geary is concerned about this and asks that everyone do their part in reminding their friends and family to get out to vote.
- In what order will the buildings be renovated? Mr. Geary explained the order is Buckley, Bowers, Keeney. Buckley is first in line due to the security issue of having the main office on the second floor, with Bowers having a similar situation.
- What special features will each school have? Mr. Geary noted each renovated school will have something unique about them, noting Waddell has the slide and Verplanck has an indoor/outdoor amphitheater.

Mr. Geary wants to hear a loud voice from the community June 4th.

G. UNFINISHED BUSINESS

G.1. 2019-2020 Budget Approval
Mr. Pattacini noted the Board of Directors substantially approved our budget request, which is good news.

Mr. Geary noted we had one budget workshop in which he reviewed Manchester is set to receive about $1.2 million more in ECS cost money (though
the final amount may vary and will not be known until August). He suggested cutting $20,000 from certified salaries due to a late retirement notice and $45,000 from instructional supplies in order to make up the budget reductions needed.

Acting Secretary Scappaticci moved to approve the 2019-2020 Manchester Board of Education Budget in the amount of $116,531,237. Ms. Hagenow seconded the motion.

8/0 - Voted in favor.

Mr. Pattacini thanked the Superintendent and Mrs. Clancy for their work on preparing the budget. The early budget workshops were difficult. Mr. Pattacini also thanked the Board of Directors for substantially supporting our request and recognizing the importance of fully funding public education in Manchester.

I. PUBLIC COMMENTS (Limited to items on tonight’s agenda)

Mr. Tom Stringfellow, 183 Hillstown Road, supports the Consent Calendar, especially items 3 and 4. He noted people with disabilities have unique talents and recommended two TV shows that feature disabled actors, Speechless and Special. Mr. Stringfellow enjoyed the presentation by Dr. Clare-Kearney, whom he has known for a long time. He pointed out Dr. Clare-Kearney was recently honored by SERC for her equity work. He feels this town is all about equity and he really enjoyed hearing the student’s stories
this evening. He was impressed by their hard work and wished them all well. Mr. Stringfellow would like to see Manchester present to the State Board of Education about our model program for Adult Education. Last, Mr. Stringfellow suggested an article about immigration in Europe in *TIME* magazine.
