The Coordinator will:

1. Be responsible for implementing the district's Safe School Climate Plan;
2. Collaborate with Safe School Climate Specialists (which is the principal of each school or the principal's designee), the Board, and the Superintendent to prevent, identify and respond to bullying in district schools;
3. Provide data and information, in collaboration with the Superintendent, to the Department of Education regarding bullying;
4. Meet with Safe School Climate Specialists at least twice during the school year to discuss issues relating to bullying in the school district and to make recommendations concerning amendments to the district's Plan.

Please contact Jim as needed as we work together to create safe, inclusive schools where equity is the norm and excellence is the goal.
