

School Bullying Log

Each school is required to maintain written complaints of bullying, along with supporting documentation received and/or created as a result of bullying investigations, consistent with the Board's obligations under state and federal law. Any educational record containing personally identifiable student information pertaining to an individual student shall be maintained in a confidential manner, and shall not be disclosed to third parties without prior written consent of a parent, guardian or eligible student, except as permitted under Board policy and state and federal law.

Also, the principal of each school will maintain a tally of each verified act of bullying in the school and this list will be available for public inspection upon request. The list will not identify any of these particulars of each verified act, including, but not limited to any personally identifiable student information.
