Manchester Board of Education  
Personnel & Finance Committee Report  
February 12, 2018

Attendees: Committee Members Neal Leon, Deborah Hagenow, and Peter Meggers

Also in attendance: Superintendent, Matthew Geary and Director of Finance & Management, Karen Clancy, and Glen Ellis of Advanced Copier Technologies, Inc.

Mrs. Clancy reviewed the status of the 2017-2018 budget. In summary, there are no significant changes from the prior status report. The budget freeze remains in effect. Approximately $450K has been encumbered to cover any projected budget shortfall. We have shifted some grant funded salary positions back to the grants and will continue to review positions and move them accordingly. With a budget freeze still in place, we project overall expenditures to remain within budgeted dollars but will have limited flexibility.

Mrs. Clancy provided an update on the current copier contract with Advanced Copier Technologies, Inc. (ACT Group) which will expire March 31, 2018. ACT Group submitted a 4-year agreement proposal under the CT Consortium for Cooperative Purchasing Contract.

There was discussion relative to changes in transportation for the 2018-2019 school year with the closing of Robertson Elementary School, the return of Waddell students back to Waddell Elementary School and the movement of all 5th grade classes to Cheney/Bennet. Datco is currently looking at the impact of these changes on transportation as well as our current transportation policy. An update will be provided to this committee at the next committee meeting.

Mrs. Clancy provided an update on school lunch accounts. Student negative lunch account balances continue to be an issue. Mrs. Clancy and Mr. Aldi are reviewing options to collect outstanding balances. They will continue to look for ways to increase communication with families and reduce negative balances.

Mrs. Clancy distributed and reviewed the updated 2018-2019 Budget Development Calendar that reflects the dates of the Town Public Hearing and budget workshops.

There was discussion regarding the use of funds that are provided by Cigna to the district that are designated for wellness events.

The next Personnel & Finance Committee meeting is scheduled for Monday, March 26, 2018, at 5:30 p.m., at Highland Park Elementary School.

Respectfully Submitted,

Karen L. Clancy

REPORTS OF SUSPECTED ABUSE OR NEGLECT OF ADULTS WITH AN INTELLECTUAL DISABILITY OR AUTISM SPECTRUM DISORDER

Section 46a-11b of the Connecticut General Statutes requires that certain school personnel report any suspected abuse or neglect of persons between eighteen (18) and sixty (60) years of age who: 1) have an intellectual disability or 2) receive funding or services from the Department of Social Services' ("DSS") Division of Autism Spectrum Disorder Services. In furtherance of this statute and its purpose, it is the policy of the Board of Education to require ALL EMPLOYEES of the Board of Education to comply with the following procedures in the event that, in the ordinary course of their employment or profession, they have reasonable cause to suspect that a person with an intellectual disability or an individual receiving funding or services from DSS' Division of Autism Spectrum Disorder Services between eighteen (18) and sixty (60) years of age has been abused or neglected.

1. **Scope of Policy**

   This policy applies not only to employees who are required by law to report suspected abuse and/or neglect of adults with intellectual disabilities, but also to ALL EMPLOYEES of the Board of Education.

2. **Definitions**

   For the purposes of this policy:

   "**Abuse**" means the willful infliction of physical pain or injury or the willful deprivation by a caretaker of services which are necessary to the person's health or safety.

   "**Neglect**" means a situation where a person with an intellectual disability either is living alone and is not able to provide for himself or herself the services which are necessary to maintain his or her physical and mental health, or is not receiving such necessary services from the caretaker.

   "**Statutory Mandated Reporter**" means an individual required by Conn. Gen. Stat. Section 46a-11b to report suspected abuse and/or neglect of adults with intellectual disabilities. In the public school context, the term "statutory mandated reporter" includes teachers, school administrators, school guidance counselors, paraprofessionals, registered or licensed practical nurses, psychologists, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists, speech pathologists, and licensed professional counselors.

3. **Reporting Procedures for Statutory Mandated Reporters**
If a statutory mandated reporter has reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the mandated reporter shall, as soon as practicable, but not later than seventy-two (72) hours after having reasonable cause to suspect abuse or neglect, make an oral report to:

Abuse Investigation Division  
Department of Developmental Services ("DDS")  
460 Capitol Avenue  
Hartford, Connecticut 06106  
Telephone: 1-844-878-8923

The statutory mandated reporter shall also immediately notify the Superintendent.

Such initial oral report shall be followed by a written report to the Abuse Investigation Division of DDS not later than five calendar days after the initial oral report was made, and a copy of any written report shall be given to the Superintendent.

4. Reporting Procedures for Non-Statutory Mandated Reporters

The following procedures apply only to employees who are not statutory mandated reporters, as set forth above.

a) If an employee who is not a statutory mandated reporter has reasonable cause to suspect that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the following steps shall be taken:

(1) The employee shall as soon as practicable, but not later than seventy-two (72) hours after having reasonable cause to suspect abuse or neglect, make an oral report by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.

(2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the Superintendent or designee shall cause reports to be made in accordance
with the procedures set forth for statutory mandated reporters, set forth above.

b) Nothing in this policy shall be construed to preclude an employee from reporting suspected abuse and/or neglect of adults with intellectual disabilities, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, directly to the Abuse Investigation Division of DDS.

5. **Contents of Report**

Any oral or written report made pursuant to this policy shall contain the following information, if known:

a) the name and address of the allegedly abused or neglected person;

b) a statement from the reporter indicating a belief that the person is intellectually disabled or receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, together with information indicating that the person is unable to protect himself or herself from abuse or neglect;

c) information concerning the nature and extent of the abuse or neglect; and,

d) any additional information that the reporter believes would be helpful in investigating the report or in protecting the person with an intellectual disability or who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services.

6. **Investigation of the Report**

If the suspected abuser is a school employee, the Superintendent shall thoroughly investigate the report, and shall, to the extent feasible, endeavor to coordinate any such investigation with the investigation conducted by the Abuse Investigation Division of DDS.

The Superintendent's investigation shall include an opportunity for the suspected abuser to be heard with respect to the allegations contained within the report. During the course of an investigation of suspected abuse by a school employee, the Superintendent may suspend the employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation.

If the investigation by the Superintendent and/or the Abuse Investigation Division of DDS produces evidence that a person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, has been
abused by a school employee, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment.

7. **Delegation of Authority by Superintendent**

The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

8. **Disciplinary Action for Failure to Follow Policy**

Any employee who fails to comply with the requirements of this policy shall be subject to discipline, up to and including termination of employment.

9. **Non-discrimination Policy**

The Board of Education shall not discharge or in any manner discriminate or retaliate against any employee who, in good faith, makes a report pursuant to this policy, or testifies or is about to testify in any proceeding involving abuse or neglect.

The Manchester Board of Education may sponsor a summer education program providing enrichment courses, accelerated reading courses, and review courses at all grade levels. Attendance in the summer education program shall be on a voluntary basis (Policy 5120).

Definitions

Summer Enrichment Courses:
Courses that allow students to study topics through challenging or unique instructional models and practices not typically available during the school year.

Accelerated Reading Courses:
Courses for students whose reading performance is below the expectation for the grade level in which the student is enrolled. These courses offer students more time to learn reading in small class environments, staffed by teachers who modify their instruction based on individual student need.

Review Courses:
Courses available for middle school or high school students who did not meet the academic expectations of the course during the regular school year.

Admission/Overview

1. Elementary Program

Admission to elementary summer education classes will be limited to those students who will be enrolled in grades K-5 in September of the year of the summer education session and who are current residents. Students registering for the accelerated reading courses must be approved by the school principal.

2. Secondary Program

Admission to secondary summer education classes, grades 6-12, for enrichment or credit (grades 9-12) must be approved by the Assistant Superintendent for Curriculum and Instruction, or designee.

Admission to a review course will be permitted to students previously enrolled in the course but who have not received credit for that course. Students who have earned credit for the course but whose grade is in the D range may, with permission of the Principal, enroll in a review course. Students who successfully complete the review course will have the grade for the course reflected as a C- on their transcript.

In order to enroll in summer school students must have:

- Earned a minimum final course grade of 40%
- Attended class for a minimum of 60% of the course
- Taken the final exam
Exceptions may be considered by the department’s Instructional Leader, Director of School Counseling, or Principal. Students who plan to attend a summer school program other than Manchester’s must meet the same criteria as above and must seek approval prior to enrollment through the external credit option. **The specific rules regarding the requirements for summer school admission for credit can be found in the Manchester High School Course Catalog.**

3. Transportation

Transportation will be the responsibility of the parents or guardian, except that the Board of Education shall provide transportation for the Summer Education Program for:

- students enrolled in special education programs mandated by the individual student's PPT; and
- students in grades K-8.

Transportation for students in grades K-8 is subject to the provision regarding annual budgetary decisions set forth in section 8 below.

4. Course Credit

Enrichment courses shall carry no credit for students in grades K-8. For students in grades 9-12, the Superintendent or his or her designee will approve credit on a course-by-course basis. Students registered in grades 9-12 courses designated "for credit" must meet both the course and Summer Educational Program regulations to receive credit.

5. Fees

The Board of Education Superintendent may, in its discretion, waive such charge or fee for any good and sufficient reason (C.G.S. Sec. 10-74a).
