October 10, 2017

In attendance: Peter Conyers, Scott Hughes, Melanie Stefanovicz, Amy Radikas, Diane Sheehan-Burns, Pari Ghetia, Tom Stringfellow, Manchester resident and Elsie Torres-Brown, intern.

Several items reviewed:

1. **Humanities Update**: Diane Sheehan-Burns, Director of Humanities, provided an overview of the newly structured coaching model in place K-5 for the 2017-2018 school year. Due to budgetary shifts the district moved from 18 building-based coaches (9 for English Language Arts and 9 for Mathematics) to 6 district-wide coaches (3 English Language Arts and 3 Mathematics).

   Coaches now work in a triad model – one English Language Arts coach and one Mathematics coach assigned to each triad. Coaching support based on student data, Lit Life feedback and principal feedback.

2. **American Flag Initiative**: A fifth grade humanities unit (American Revolution) now includes five lessons teaching the history of our flag. Manchester’s use of the flag lessons in an authentic unit of instruction has caught the attention of State Rep – Mark Tweedie. He has invited Diane to his office to discuss Manchester’s work and see how other districts may learn from Manchester.

3. **New Teacher Modules**: Creating content based modules for new teachers to support best practices in Humanities and STEAM. Hope to offer four modules over the year.

4. **STEAM Update**: Pari Ghetia, Director of STEAM, discussed implementation of Next Generation Science Standards (NGSS) in curriculum. Curriculum writing will begin in a few weeks and will take a year and a half to complete. Learning through discovery and inquiry is a highlight of new standards.

5. **National Association for the Education of Young Children (NAEYC)**: Amy Radikas, Deputy Superintendent for Curriculum and Special Services, gave an overview of NAEYC accreditation process occurring at the preschool sites located at MHS, Buckley and Keeney. The process will provide the district feedback regarding preschool programming and next steps.

6. **New England Association of Schools and Colleges (NEASC)**: Amy Radikas, Deputy Superintendent for Curriculum and Special Services, gave an overview of another accreditation process occurring – this at MHS. Two-year process begins this year with self-reflection and writing of a goal plan. MHS will have 18 months to implement its goal plan and final accreditation should occur in March 2020.

Meeting adjourned at 6:00 p.m.
Respectfully submitted,
Dr. Amy F. Radikas

To: Manchester Board of Education
From: Matthew Geary, Superintendent of Schools
Subject: Item for Appropriation, Barr Foundation Grant FY 2017-2019
Date: October 12, 2017

Background:
This two year grant application in the amount of $300,000 will be used to collect data to assist the district in creating and refining programs that engage students by providing various pathways toward being college and career ready in the FY 2017-2019.

Discussion/Analysis:
Funds will be used to research/review a variety of tools and inventories, including those already in use, to effectively assess student strengths, learning styles, and interests. This information will allow Manchester High School staff to better understand their diverse student population and capitalize on their interests.

Financial Impact:
The District has been granted $300,000 for the FY 2017-2019

Other Board/Commission Action:

Recommendations:
The Superintendent recommends that the Board of Education request the Board of Directors establish an appropriation for $300,000 for the Barr Foundation Grant, for the FY 2017-2019.

Manchester High School has been named as a benefactor of the estate of Ms. Virginia Ryan. We recently received a check for $97,446 as the final distribution from her estate earmarked for "general uses and purposes."

Ms. Ryan was born January 22, 1919 in Hartford, raised in Manchester attending local schools and was Valedictorian of the Class of 1937 at Manchester High School and had lived almost her entire life in the Charter Oak St. neighborhood in Manchester. Virginia earned her Bachelor of Art Degree in Social Services from Colby College in 1941, she attended the Older Adult Group at Manchester Community College and pursued many other courses of study to further her career as a Social Worker. Virginia retired as a supervisor with the State of Connecticut Dept. of Social Services after 43 years of service. She was a lifelong member of South United Methodist Church in Manchester, she was an avid tennis player, she enjoyed local live theater and was a movie buff. Virginia was a member of the Manchester Senior Citizens Center, she had been active with the A.A.R.P. # 1275 and had traveled extensively throughout her life. Virginia had been very generous with her donations to the Manchester Scholarship Foundation as well as so many other Manchester charities. Virginia Ryan, 96, died Wednesday April 8, 2015.

In speaking with Ms. Ryan’s attorney, Jim Sullivan he has made it clear that these funds can be used in any manner that the school sees fit, but specifically said that education was incredibly important to Ms. Ryan.

Manchester High School would like to accept this generous gift. We plan to use these funds to:

- support student scholarships
- support programming aimed at post-secondary planning
- support college visits for students
- support personalized learning opportunities for students

Re: Estate of Virginia Ryan

Dear Sir or Madam,

Enclosed please find a final distribution check in the amount of $97,446 regarding the above referenced matter.

The Estate will issue a K-1 form at a later date.

Yours truly,

From: Matthew Geary, Superintendent of Schools  
Subject: Item for Appropriation FY 17/18 Garrett Lee Smith Suicide Prevention Grant  
Date: October 16, 2017

Background: Garrett Lee Smith Suicide Prevention Grant from Community Health Resources is provided to support the goals of the Connecticut Strategic Plan for Suicide Prevention, by addressing needs and gaps using strategies, though the development of formal agreements, thereby reducing suicide attempts and deaths of youth ages 10-24 in Connecticut. The agreement is entered into for the purpose of establishing a collaborative relationship between Community Health Care as the Intensive Community-Based Effort as a primary mental health and substance abuse treatment provider organization, and Manchester Public Schools.

Discussion/Analysis: FY17/18 is the first of a 3-year agreement to create a streamlined system within the school and across the community for improved crisis assessment, intervention, mental/behavioral treatment and follow-up services.

Financial Impact: None.

Other Board/Commission Action: None.

Recommendation: The Superintendent of Schools recommends that the Board of Education request the Board of Directors to create the Garrett Lee Smith Prevention Grant appropriation for FY17/18 in the amount of $15,000.

From: Matthew Geary, Superintendent of Schools

Subject: Appropriation of The Carl D. Perkins Career and Technical Education Secondary Basic Grant for the 2017-18 school year.

Date: October 16, 2017

Background:
Manchester Public Schools have demonstrated a record of excellence in career and technical education. The Carl D. Perkins Career and Technical Education Secondary Basic Grant will improve and expand education and career guidance systems for Manchester's youth. The grant is funded by the State of Connecticut.

Discussion/Analysis:
Funds will be used to:

1. Revise and/or re-write curriculum to ensure alignment with state/national common core standards in Business, Family Consumer Science, and Technology Education departments.
2. Provide professional development opportunities to ensure that students are exposed to specific career-based competencies, which will prepare them for a transition to a technologically-advanced employment workplace.
3. Provide funding for externships and field trips in conjunction with the College Career Pathways initiative.
4. Support specific developmental initiatives through funding for instructional programs, supplies and equipment for grades 9-12 in the aforementioned areas.

Financial Impact: None to the Board of Education.

Other Board/Commission Action: None.

Recommendations:
The Superintendent of Schools recommends the Board of Education request the Board of Directors appropriate $95,622 for the FY 2017-18 Carl D. Perkins Career and Technical Education Secondary Basic Grant provided through the State of Connecticut.

Town of Manchester  
Board of Education

To: The Manchester Board of Education  
From: Mr. Matt Geary, Superintendent of Schools  
Subject: Permission to apply for the FY17-19 HFPG Continuation Grant for Family & Community Engagement  
Date: 10/18/2017

Background: 
Manchester Public Schools has made a deep commitment to engaging and partnering with all families and the community to maximize student success. Over the past year and a half we have established a solid infrastructure, set of core practices and programs to more fully realize the goal. Our district policies, District Improvement Plan, School Improvement Plans, and teacher goals all establish clear expectations around this mission. Administration, school staff, families, and community members have worked together to develop and drive this plan and to build understanding of why the work is important as well as how to make it actionable. Research-based and practitioner tested programs are established and being tested for impact. We believe we are poised to scale up the efforts that have demonstrated the greatest efficacy and to forge ahead with the next phase of implementation.

Discussion/Analysis: 
We are seeking to apply for year four funds from the Hartford Foundation for Public Giving in order to more cement the establishment of our Family Resource Centers across 11 schools. District professional development will emphasize means of connecting families to the work and goals of schools and student progress, cultural competence, and work specific to scaling effective programs such as Family Literacy Nights, inclusion of parents in school decision making, revision of the Parent-Teacher conference model, and how to leverage family and community assets. The grant period is January 1, 2018 – December 31, 2018.

Financial Impact: None to the Board of Education.

Other Board/Commission Action: None.

Recommendations: 
The Superintendent of Schools recommends that the Board of Education approve the filing of the Hartford Foundation for Public Giving Continuation Grant application for Family & Community Partnership, for the 2017-2019 school years in the amount of $610,000.

Culturally Competent Teaching and Learning
Rhonda Philbert, Equity Coordinator
Cultural competence refers to the process by which individuals and systems respond respectfully and effectively to people of all cultures, languages classes, races, ethnic backgrounds, religions and other diversity factors in a manner that recognizes, affirms and values the worth of individuals, families and communities and protects and preserves the dignity of each. (NASW, 2001)
The Five Competencies for Culturally Competent Teaching and Learning...

1. facilitate critical reflection.
2. demands respect for others.
3. involves accommodating individual learners.
4. requires the use of intercultural communication skills.
5. requires focused activities and intentionally structured environments.

Culturally Competent Teaching and Learning

*Importance...*

• Student population has become more racially, culturally and linguistically diverse.

• Contributing factor toward the elimination of educational disparities.

• Issues of diversity play a vital role in the political and economic life of the U.S.

• Cultural Competence fosters communication and relationship building with families and students.
Culturally Competent Teaching and Learning

Importance...

• Educators who have the ability to challenge and motivate diverse student populations can dramatically improve our educational system and student outcomes.

• It is both a moral and ethical responsibility to create a welcoming environment for students to succeed.

• Student outcomes can be improved by incorporating contributions made by people from varied racial and ethnic backgrounds (curriculum and practices).

Overview

- Three workshops
- Each workshop had approximately 20 participants.
- Participants were teachers, tutors, behavioral techs, school psychologist and social workers.
- Ice breaker
Reflection
• Participants wanted more time for conversations regarding their racial and cultural identities
• Use of the ice breaker in classrooms
• Appreciated the unique perspective of the workshop

Next Steps
• Emphasis on fifth and sixth grade educators – as Bennet’s population becomes 5/6.
Cookie Fiasco

Tracy Pietkevich, Grade 5 Teacher and Heather Garcia, Grade 4 Teacher
Bowers
Importance...

Teachers were feeling overwhelmed trying to fit all academic subjects and social thinking into their already packed day.
Overview

The Cookie Fiasco was based on the idea that social thinking can be taught in conjunction with other academic core subjects.

Cookie Fiasco
Reflection:
- Teachers enjoyed the hands-on nature
- Audience engagement and opportunity for movement
- Activities to take back to classrooms 3-5
- Discussed ideas for K-2

Next Steps:
- Develop specific activities for K-2
Classroom Management – How to be the Conductor of Your Classroom While Still Enjoying the Ride!

Brian Gordon, 5th grade teacher, Washington
Chelsea Gordon, 4th grade teacher, Keeney
Overview
• **Our PD focused on Classroom Management in the areas of:**
  o SEL Curriculum
  o Executive Function
  o Restorative Practices

Audience
• **K-5 teachers including Special Education and Social Workers.**
Classroom management is the foundation to a successful school year.

This session allowed teachers to discuss various methods of classroom management.
Social Emotional Activities

Type A Tammy
She attacks when you have to have everything just a certain way.

Stress Osaurus Rex
- He attacks when you are overloaded with things to do.
- He piles on the stress.
Executive Functioning Activities
Restorative Practice

Classroom Management
Reflection/Next Steps:
• Discussion among peers is most meaningful
• Too much information to teach in one session
Closing

• Increase teachers’ belief—both individually and collectively—that they can have a positive effect on learning for *every* student

• Help teachers see each other as the most powerful resources for improving teaching
Questions and Discussion
Requirements for Graduation from Manchester High Schools: Policy 5127.1

Effective with the Class of 2019, to graduate from the Manchester Public Schools a student must have earned a minimum of 24 credits and must have met the credit distribution requirement. This must include a minimum of the following core requirements:

8.0 Credits in Humanities
   4.0 Credits in English
   4.0 Credits in Social Studies including 1 credit in US History, 0.5 in Civics, 0.5 in Human Rights

6.0 Credits in Science and Math including not fewer than:
   3.0 credits in Math including Algebra 1, Geometry, and either Algebra II or Probability and Statistics
   3.0 credits in Science including at least 1 credit in life science and at least 1 credit in physical science

1.75 Health and Wellness including 0.75 credits in Health and 1.00 in Physical Education

1.0 World Language (or demonstration of verbal fluency)

7.25 Additional Credits to include
   1.0 Elective credits in Fine Arts or Vocational Education
   0.5 Credits in Personal Finance

As part of the graduation requirements, students must complete a Service Learning requirement under the supervision of a teacher in the senior year. It is possible for a student to complete this requirement in another discipline and earlier than the senior year, but all projects will be evaluated by senior-year social studies teachers. The purpose of the requirement is to build stronger partnerships with the community, explore career paths, promote active citizenship, and provide real life experiences for students. The Service Learning Project will be scored using a uniform rubric.

Steps for the service learning project
   • The student will identify a problem or issue in the "real world."
   • The student will list goals for a project that will further analyze and/or help "solve" this problem.
   • The student will research the project and construct a strategy to further evaluate the problem or issue.
   • The student will execute the strategy, with input from both the student’s teacher and appropriate community representation.

GRADE LEVEL DETERMINATION: Students will not be automatically promoted to the next grade. The number of credits a student has earned by the end of summer school will be used to determine his/her grade classification:

   Grade 10: 5 credits, at least 4 of which have been completed at Manchester High School
   and 3 of which must be in the area of English, Math, Science, Social Studies

   Grade 11: 11 credits
   Grade 12: 17 credits

Applied Education

It is the goal of the Manchester Board of Education that all Manchester students will possess and demonstrate the skills necessary for career success in a fast-changing world. To meet this goal, Manchester has developed a K-12 School-To-Career system.

The board encourages educators and community members to work together to develop high-quality programs for all students. The career curriculum will include: curriculum connectedness; academic, technical, and employability skills; classroom activities that bridge to the work world; experiences in connection with the business world.
